

Johnson to Remain as GC Supt. Until 1968

**Worthen Heads Board,
Dr. Walton Secretary,
Dillard New Treasurer**

Supt. Russell D. Johnson has agreed to postpone his scheduled retirement from June 1966, when he will be 65, until June 1968, it was announced during a five-hour Granite

The board elected L. Monroe Worthen as president and Dr. Eugene W. Walton as secretary for the 1965-66 year after seating George E. Moore

new members and Daniel N. Linder as a re-elected member. Ronald L. Dillard was named to replace Worthen for the remainder of his 1964-66 term.

School district rules permit retaining employees two extra years until the age of 67 at the discretion of the administration and board. Johnson was praised by board members for his performance since becoming superintendent.

He had planned extensive travel but said he yielded to the urging of many people, who accurately pointed out to him that he enjoys the busy schedule of school duties. His health is good. He has been a teacher

No Treasurer Salary
In advancing Worthen from treasurer to president, and appointing Dillard as successor, the board continued its policy of designating board members

for the post. State law permits no pay for a board member-treasurer but authorizes a salary if someone else serves as school treasurer.

The board also continued its practice of limiting secretarial pay to \$240 a year. Linder

Worthen has been a board member five years and treasurer three years. He resides at 284 Fortune drive with his wife Toby, their son, Cory, seven, and daughter, Beth, four and is a

Unanimous Votes
Plans for 1965-66 had been discussed during an informal orientation of new board members the previous day, and all votes for officers were unanimous.

Then, Robert Crider proposed Dr. Walton for secretary and Dr. Walton nominated Dillard for treasurer. Linder described Worthen's elevation to the presidency as "long overdue."

and other board members for their efforts and said Johnson has done a "tremendous job." At Johnson's request, his formal contract was extended only for the next year; he said he regards this procedure as sound in principle, since a superintendent not wanted by a school board would be dismissed.

when his right arm became trapped in a washing machine wringer. His condition today is improving.

The Emerson kindergarten pupil was alone in the upstairs apartment when the accident occurred. His mother and a young

er child were hanging clothes in the backyard. Mrs. Burlingame heard the youngster's screams and ran two flights of stairs to release the injured boy. He had apparently turned on the wringer switch and was attempting to run a towel through, Mrs. Bur-

The child was rushed by taxi to St. Elizabeth Hospital where he was given emergency treatment and admitted. After possible plastic surgery was indicated, the boy was transferred to the St. Louis hospital.

Leatherman Heads Board in Venice, Musick Secretary

In one of the swiftest reorganization meetings on record, members of the Venice board of education seated three new school directors, elected new officers and rehired Supt. John O. Pier and Board Attorney Harry E. Hartman within a 15-minute period Monday night.

Renamed as board president was Michael F. Leatherman Jr., who has held the office for the past year. A ten-year board member, Leatherman, 38, of 1081 Third street, is employed at the Granite City Army Depot as chief of the Internal Rail Branch. Roy L. Musick, who was re-elected to the board in Saturday's election, was named board secretary at a monthly salary of \$125. A veteran board member of 18 years, Musick has served as secretary on three different occasions.

New directors who were seated Monday night are Leo A. Davinroy, 1229 Klein street, who returns to the board after an absence of one year, and Elmer A. Taylor, 204 Kerr street, a newcomer to public office. Davinroy previously served on the school board for 17 consecutive years.

All three were unopposed in seeking office.

The two new board members replaced Eugene Egan and Lester R. Salem, both of whom retired after long service on the school board. Both were present Monday and received a standing ovation from the school directors. Hartman, 3340 Redwood avenue, was retained as school board attorney at a monthly fee of \$225.

Prior to the organizational meeting, a seven-minute session was conducted to canvass the votes and complete old business. Recorded on the official roll list were 208 votes for Musick; 217, Davinroy; 212, Taylor; two write-in votes, Eugene Egan and one vote, George B. Billick. Board meetings will continue to be held at 7:30 p.m. each first Monday of the month at Venice grade school.

Banquet for 29 New Eagle Scouts

The Cahokia Mound Council, Boy Scouts of America, will be host to 29 youths in the council who earned Eagle rank during 1964 at a banquet in the Gallery Room at Trader Vic's, St. Louis, next Monday at 6:15 p.m.

George H. Capps will challenge the 1964 class of Eagles. An Eagle himself as a boy, he "symbolizes the qualities America has come to expect of Eagle scouts," Council Executive Eugene Coe commented.

Besides scouting, Capps' continued interest in youth has included Big Brother work and service as a board member on the President's Council of St. Louis University, the Cardinal Glennon Hospital and the St. Louis Priory and Villa Duchesne Schools.

A graduate of Washington University, where he received a law degree, Capps served in both the U.S. Navy and the FBI during the 1940-1949 period. Today he is president of a number of companies, two of which are Mid-America Cars, Inc. Volkswagen distributors in the midwest, and the Capital Coal & Coke Co., second largest U. S. coal exporter.

Among the Eagles to be honored are the following from Granite City: William Anderson, Post 12; Glenn Ashoff, Troop 23; Robert Doroughazi, Troop 86; Michael Friederich, Troop 13; Matthew Gasparovic Jr., Troop Seven; Linus Helrich, Troop 18; Harry Hartman, Troop 13; Kendall McMillan, Troop 15; D. Keith Nacy, Troop 15; Alan Nicol, Post 12; Richmond Nolan, Troop 18; John Robbers, Post Six; Alexander Tarpeff, Troop 13; and Thomas Yilkopas, Troop 95.

Each Eagle will be sponsored by an industrialist, educator, professional man or businessman who will interview the scout at a prearranged time and then bring him to the banquet in the evening.

Name Jr. High for Grigsby; Parkview School Bids Soon

Paul A. Grigsby junior high school and Parkview elementary school were chosen by the school board Monday night as the names of two buildings on which construction will be started this summer.

High school superintendent in Granite City from 1933 to 1950, Grigsby became superintendent of the community unit school district for kindergarten through the twelfth grade when it was formed in 1950. He retained the position until retiring in 1958 to become director of student teaching and associate professor of education at Central Methodist College, Fayette, Mo.

The two were recommended by Supt. Russell D. Johnson after the board studied 25 possible names submitted by committees, which had sought suggestions from the public. The vote by the newly-seated school board was 7-0.

It was noted that two other junior high schools here are named after individuals as recognition of their services to this community. The name of the new grade school will call attention to its location within a new 29-acre Granite City park on an extension of Maryville road. The junior high site is at Cargili and Pontion roads.

Other bills paid totaled \$39,653 in the educational fund, \$37,739 in the general fund, \$18,628 transportation, \$10,364 new construction and \$6,195 building fund. Tuition reimbursements totaling \$506 — as half the cost of approved college courses — were paid to 13 teachers, the largest single payment amounting to \$165.

Richard C. Grogan, 2200 Adams street, and a passenger escaped injury when his 1965 auto was struck and a dragged by a train at the 22nd street rail crossing at 7:20 p.m. Monday. The right side and hood of the car were extensively damaged.

Grogan complained of a back pain the next morning but received no treatment. He told police he had stopped at the crossing and then proceeded, but there were no lights to indicate the approach of the train. The distance the car was dragged was undetermined and the identity of the train crew was unavailable.

Action on Bids
Acting on bids, the board purchased \$7063 in instructional supplies, with purchases ranging from \$37 to \$2413 at 16 firms. Of the total, federal taxes will reimburse \$847 for science and mathematics supplies.

Custodial supply bid awards totaling \$8457 varied from \$56 to \$2570 for 17 companies; art supplies, \$6574, including \$17 to \$3825 from 13 firms; music equipment, \$2810, including \$97 to \$172 from six suppliers; and school letters and insignia, \$1367, including \$129 to \$557 from six firms.

GCIS activity funds totaling \$149 will be used for General Electric Supply Co. installation of an electric water cooler. Two dozen pairs of wrestling trunks will be obtained from Economy Sporting Goods for \$134, and library book binding was awarded to Stappenbeck Book Bindery. About 700 books are to be repaired at \$1.45 to \$2.65 each, based on size.

Welding Rod Purchase
With the Air Products firm closing a retail outlet here, the board agreed to buy the remaining supply of welding rods at 10 cents a pound, totaling \$345. Bids have averaged over 14 cents a pound in past years.

Refractory bricks costing \$225 are to be bought from Sidney Supply Co. to build an incinerator in the Washington school north boiler room. The flue will be connected to the boiler.

Also approved was purchase of a drum of each of two types of boiler water treatment for the schools; payment to North American Mopul Products Co. will total \$525.

For home economics supplies, Navesco Co. will serve as basic source of supply. Woelk Fabrics will provide some sewing supplies and Singer Sewing Machine and other local outlets will be utilized in certain instances.

Nameoki School Lights
Two outdoor lights to be installed at the front entrances to Nameoki grade school were ordered from Dron Electric Co. for a total of \$265.

It was decided to review Wilson grade school outdoor lighting needs in the late summer, due to the height of the building, lights would need to be installed on poles rented from Illinois Power Co.

Because the school district cannot give full title to Coolidge junior high school grounds at this time, no action was taken on a city letter reporting plans to condemn two small areas needed for widening of Nameoki road. The offers were \$650 and \$1500.

Attorney Dailey was asked to study recent court removal of the Madison-owned Chain of Rocks Bridge from Illinois property tax rolls and to report back to the board. With the bridge assessment totaling \$915,000, annual school tax loss will exceed \$20,000.

Maintenance Transportation
Pupil transportation costs were listed as \$107,313 through February, an average of about \$18,000 a month. Tentative approval was given to supplying transportation to certain maintenance workers who now haul equipment in their autos.

Pollings place, judge and custodial costs for the school board election totaled \$1077.

\$21,162 Bid For Madison Walks; Seek Sweeper Bids

General Contracting Co. of
Granite City submitted a bid
of \$21,162 to widen and repair
sidewalks in West Madison, the
lowest of five bids read at a
Madison city council meeting
Tuesday night.

Other bidders were G. H.
Stenberg & Co., Granite City,
\$21,347; A. H. Seibold Trucking
& Excavating Co., Granite City,
\$21,595; Thomas Skerle, Granite
City, \$24,852; and Alton & Co.,
\$24,658. The bids were referred
to the city engineer for recom-
mendation. Work is to start
about May 1, and funds will
come from the city's new ap-
propriation.

Street-wide sidewalks are
to be extended to the curb, and
other walks placed 10 years ago
in West Madison will be repair-
ed where needed, Mayor Stephen
Maeras said.

The council's purchasing com-
mittee was authorized to seek
bids for a new street sweeper to
replace one in use since 1942. A
cost estimate and the type de-
sired were not available.

State Board Action

Mayor Maeras informed the
council that state water and air
pollution boards are taking ac-
tion against Madison and other
municipalities and firms for vi-
olations.

He said the sanitary water
board has asked the state
attorney general to bring action
against Madison and the East
Side Levee District, among oth-
ers. "The mayor may have to go
to jail," Maeras quipped, "but
I hope not until after the elec-
tion."

"We are very much a part of
the levee board's pollution abate-
ment program," the mayor said,
"especially since the minimum
now has been reduced to
\$115 per month. If Collinsville
joins, it will be less. We will get
a hearing on May 10. We are com-
plying."

A hearing on air pollution
charges is set for 10 a.m. May 5
in the East St. Louis city hall
council room, and Madison will
present its answers to charges.
John Gitchoff, corporation coun-
sel, said: "We don't feel we
are in violation, as the AAKCO
firm of St. Louis currently is
making a survey for us for a
new incinerator." The mayor
he hopes to get an estimate
soon.

Discusses Building Blight

A lengthy discussion was held
disparaging buildings in vari-
ous parts of the city after Third
Ward Alderman Ray Kozielek
reported numerous complaints
on property at 1021 and 813
Reynolds street.

Referring to the properties as
hazardous nuisances, Kozielek
called for immediate action by
the city to raze the buildings,
which he said are used by trans-
ients and present a danger to
children. He said the city could
take its chances on any court
action to follow. Some heirs to
the properties live in various
parts of Europe, it was noted.

MR. LENA WILLIAMS

JUNE BRIDE-TO-BE HONORED AT SHOWER

Miss Carolyn Sue Brookshire, daughter of Mr. and Mrs. Melvin Brookshire of Jennings, Mo., was honored with a bridal shower Sunday afternoon given by Mrs. Connie Broyles, Mrs. Jean Boyer, Mrs. Theresa King, Mrs. Celi Dougherty and Mrs. Lucille Broyles.

She is to become the bride of Donald E. Broyles, son of Mr. and Mrs. Donald L. Broyles of Madison, June 19.

The shower was held at the VFW hall, Granite City, which was decorated in keeping with the event. White streamers and wedding bells were strung across the room, and the names of Carol and Don were on the walls surrounded with streamers and bells.

The gift table was arranged with white bud vases holding fresh pink snapdragons. Miniature bags of rice, tied with ribbons and flowers, were at each place setting.

The bride-to-be was introduced to the guests as she and her bridesmaids, Miss Linda Behnes, Miss Barbara Deller and Miss Margie Buehner, carried the gifts. Mary Ellen Kittel, the flower girl, was introduced by Mrs. Broyles, mother of the prospective groom. Games were played, with prizes awarded to each winner.

A buffet luncheon was served to Mesdames Christine Bawies, Marie Miller, Delia Leno, Lena Williams, Velma Rideout, Ruth Kowalski, Nellie Nolen, Lydia Herschbach, Rose Richardson, Pauline Cory, Cornelia Hommert, Helen Lubeck, Patricia Petrovsky, Mary Etta Wambough, Edith Gentry, June Barbara, Dorothy Smith, Elvera Stagner, Mary Allen, Irene Cloick, Fannie Risk, Frances Steiner, Viola Bolin, Donna Dorris, Julia Rozycka, Frances Greco, Peggy Finazzo, Bernice Townen, Carolyn Sanders, Rosalee Finazzo, Patricia Lee, Paula DePew, Betty Selph, Pauline Holman, Wanda Sauer, Delores Riddle, Edith Leleventy, Dorothy Barnes, Timmy Talbot, Billie Jenkins, Margaret Hall, Virginia Kittel, Mary Mang, Melba Senter, Minnie Martin, Sue Wendell, Opal Wheeler, Fay Cruise, Rosalee Bronnbauer, Jacqueline Kittel, Laddie Kittel, Mary Holbert, Luelia Griffin, Mary Garrison, Yvonne Kittel, Regina Hoffer, Clara Boyd, Hazel Brookshire, Mary Lamb, Frances Mary Anna Flak, Donna Hersbach, Thelma Hersbach, Karen Wambough, Donna Miller, Carol Ann Sanders, Linda Finazzo, Dana DePew, Tammi DePew, Annette Finazzo, Fay Boyd, Ceryl DePew and Lena Petrovsky.

Out-of-town guests present were Mesdames Frances Buchanan, Verma Mayes, Neva Jeckimo, Elsie Wadlow, Emily Kennedy, Laverne Griffin, Lucy Klueter, Ann Philbert, Jean Kittel, Nelaine Jones, Emma Brookshire, Kay Doudouris, Flora Price, Susie Doudouris, Agnes Ellenwood, Gertrude Sprankle, Geneva Anderson and Marie Zaringsko and Mesdames Martha Lynn Griffin, Linda Klueter.

A number of friends assisted Mrs. Broyles throughout the afternoon. Miss Wambough and Miss Finazzo presided at the punch table.

PRE-WEDDING PARTY

A bridal shower was held Sunday afternoon honoring Miss DeLia Landwehrmer, 2111 Collinsville avenue, at St. Peter Lutheran Church, 8705 Bunkum road, East St. Louis.

The party was given by her bridesmaids, Mrs. Eva Jankowski of Granite City and Miss Barbara Sellert and Miss Donna Miller of East St. Louis. Miss Joanne Shurden, assisted the hostesses. The room was decorated in keeping with the wedding theme, with a bride doll and flower arrangements on the tables.

Miss Landwehrmer will become the bride of John Balduis of Caseyville at St. Peter Lutheran Church May 29.

The out-of-town guest list included Mrs. Barbara Landwehrmer, formerly of Granite City; Mrs. Margy Felt, Mrs. Judy Ferguson, formerly of Madison, and Miss Pat Fanning and Miss Marilyn Bryson, all of St. Louis; Mrs. Frieda Kaufman, Mrs. Ida Din-

terson, Mrs. Ann Schieber and Mrs. Joanne Bogie and daughter, Debbie, all of Edwardsville; Mrs. Adele Compton, Mrs. Ellen Reimler, and daughters, Ruth Ann and Charlotte, Mrs. Clara Mangram, Mrs. Eleanor Sommerberg and Mrs. Harold Maisel, all of Collinsville; and Mrs. Lucille Younger and Miss Delores Depong of Cahokia.

Present were Mrs. Esther Landwehrmer, Mrs. Myrtle Landwehrmer, Mrs. Shirley Schieber and daughter, Chris, Mrs. Laura May, Mrs. Kate Kurilla, Mrs. Caroline Pruitt, Mrs. Laverne Harris, Mrs. Stiff Rogers, Mrs. Ruby Betts and Miss Vicki Billen of the Quad-Cities; Mrs. Madeline of East St. Louis residents. Seventy-five attended the event.

Games were played, with prizes being awarded. Refreshments were served.

PEPPY CLASS ELECTS MISS IRENE HACKETT

Mrs. Clara Lux entertained members of the Peppy class of First United Presbyterian Church in her home, 1637 Third street, Tuesday evening.

Miss Irene Hackett was elected president. Mrs. Cloya Taylor vice-president, Miss Opal McFarland secretary and Mrs. Lux treasurer.

Other members present were Mrs. Joyce Walker, Mrs. Gladys Zentgraf, Mrs. Nora McLeod, Mrs. Mildred Humphrey, Mrs. Daisy Adams and Miss Luella McLeod.

A bake sale was arranged for Saturday at Glick's in Madison and plans were completed for the annual mother-and-daughter banquet in the church serving rooms May 8 with the members preparing and serving dinner.

A social period followed, with a game played and prizes awarded.

Miss McLeod will hold the May 11 meeting in her home, 1225 Robin street, Venice. Mrs. Lux served refreshments.

DEBBIE GRAYVILLE NAMED PRESIDENT

The Loyal Workers met at First Baptist Church Tuesday afternoon with the class teacher, Mrs. Ora James, opening the meeting with prayer. Miss Noni Stroder read the 23rd Psalm.

Officers for the coming year were elected, with Debbie Grayville named president. Sharon Chapman vice-president, Barbara Wood, secretary and Noni Stroder, community mission chairman.

The group sang the class song "In The Garden," and made plans to send an Easter basket to each child.

Cupcakes, shaped as Easter baskets, were served to each child by Cathy and her brother Nick. Songs were sung by the group.

CATHY WARGIN HONORED ON SIXTH BIRTHDAY

A birthday party was held Tuesday evening honoring Cathy Wargin, daughter of Mr. and Mrs. Nick Wargin. In their home, 519 Grand avenue, the home was decorated with Easter appointments.

A cake in the shape of a rabbit centered the refreshment table. Mrs. Evelyn Eaves, grandmother of the honoree, had baked and decorated a four-tiered cake, which she topped with an angel and six magic candles.

Guests were the honoree's godmother, Mrs. Dorela Mearns and son, John, Mrs. Victor Skundrich and son, Michael, Mrs. Marie McDaid, Mr. and Mrs. Leo Ponomarevich and son, Michael, Mrs. Marvin Ozanich and daughters, Carolyn and

Mrs. Susie Buehrer, 89, Dies at Home

Mrs. Susie Buehrer, 89, who resided with her son, Martin Buehrer, at 1407 West Ponton road, died at home about 9:45 a.m. Wednesday. She had been ill with diabetes about four months.

Mrs. Buehrer, who was born near Parkersburg, W. Va., lived here 67 years. Her husband, Gottlieb, who died in 1937, was a buyer and seller in the commission business for fruit and potatoes.

SOCIAL SIX MEET

Mrs. Nellie Hangel was hostess to the Social Six club at her home in Collinsville Monday evening. Lunch was served.

Canasta was played by the members and a guest, Mrs. Linda Stajduhar. Prizes were awarded to Mrs. Helen Kuback, Mrs. Lorraine Gotschmann and the guest. Other present were Mrs. Julia Voloski and Mrs. Sophie Greene.

Mrs. Greene will entertain the club May 4.

COMBINED MEETING

The Vota Vita and Fidelis Sunday school classes of First Baptist Church held a combined meeting at the church Monday evening.

The session opened with prayer, followed by three readings. Members responded to roll call with their favorite flowers.

Each class held separate business meetings. A mother-and-daughter banquet is being planned by the Vota Vita class.

During a social hour, the hostesses, Mrs. Geraldine Stein and Mrs. Pat Kingsley, served Japanese food including fortune cookies and chat sticks.

I-C League Starts Sunday

Three Quad-City teams will be in action Sunday as the Southwest Inter-City League opens its 35th baseball season.

The schedule has Mitchell A. C. against Sacred Heart at Wilson Park No. 1 here and Mercer Funeral Home traveling to meet Collinsville Kahok Bowl at Fletcher Field. In other games, East St. Louis St. Clair Heating is at Troy and Pochantas visits Maryville. All games start at 2:30 p.m.

The league's ninth team, Polish-American War Veterans (PAWV) of East St. Louis, has a bye. A tenth team being sought but no addition has been announced. A final pre-season league meeting will be held tomorrow night in East St. Louis.

As usual, the league is divided into two divisions: Red with Maryville, Troy, Collinsville, Sacred Heart and PAWV, and Blue with St. Clair, Mercer, Pochantas and Mitchell.

The schedule ends Labor Day, Sept. 6, followed by playoffs to determine the winner of the President Vernon Lucas Trophy.

From Mets to Merceers

Manager Ollie Miller has added pitcher-catcher Gary Cumberland to the Merceers' roster. Cumberland formerly performed with the New York Mets' Auburn, N. Y., farm club and baseball was right as the young man is making quite a jump from the Mets to the Merceers.

Cumberland will probably share Sunday's pitching with Inter-City vets Terry McFarland and Wayne Gavillet. The rest of the Merceers lineup includes most of last season's regulars.

Miller's tentative lineup has Harry Smith as catcher, Dale Maxwell at first base, Harland Scheibel at second, Harold Tankley at shortstop, Robert Soehlin at third and Charles "Jo-Jo" Johannmeier, Don Crabtree and Terry French in the outfield. Maxwell takes over for Rich Branding who won't be available for several weeks.

College students expected to report later are catchers Lee Davis and Vic Baehler, infielders Rich Lee and Glenn Hoffman and pitcher Pat Harris. Also listed on the roster are outfielder Rich Cynkovich and Granite City high school

shortstop Larry Dillard.

Miller said Don Crabtree will serve as assistant manager with Howard "Lefty" Harris and Bill Crabtree as coaches.

New Pilot for Hearts

Dick Portell stepped down as Sacred Heart manager this week and handed the reins to ex-pro Eddie Opich. Opich, who led as a New York Giants farmhand from 1951 to 1954 and has played infield in the Inter-City League off and on since.

Opich said he wasn't ready to announce a starting lineup but indicated right-hander Perry Taylor would probably do the pitching.

The Hearts' nucleus at present includes infielder Ron Bess, second baseman Mike Dillon, shortstop Sam George, third sacker Adrian Rains and catcher Roy Logan. Returnee Bob Kether and several youngsters are outfield candidates, Opich said.

Slated to join the team in June are collegians Bob Hoffek, first baseman Larry Dink, infielder Frank Hilde, outfielder who led the Hearts in hitting last season, and GCHS catcher Joe Hauptman.

Coaches will be Lynn Tucker and Bob Burns.

Mitchell Won Khoury Title

Mitchell A. C. enters the league after winning the Central Senior Division championship of the Khoury baseball organization last season. The team had a 15-3 record and defeated 1963 champion L. & P Sales of St. Louis before being eliminated in the playoffs.

Wendell Cosey is the manager with Henry Breckner, Henry Scott and Kenny Smith as coaches. Smith will also fill in at pitcher and outfield.

Tentative starters include Walter Schoenover, catcher; Larry Corey, first; Bill Allison, second; Dave Sparks, short; Pat Schuman, third; Larry Williams, left; Bob Allen, center; and Schenck, right.

Starting pitcher will be right-hander Bill Lierman or Lefty Joe Holder. Several other players are on the Mitchell roster, among them infielder John Meszaro.

The team will play on a field behind the Mitchell school building.

RUNNING THE 880 for the first time, Granite City's Jim Pomeroy (right) was kept in pace with Jim Krejci of Edwardsville after one lap — the half-way point — in Monday's triangular meet here.

Three State Championships

Great '64-65 Record By Southwestern Loop

High school sports fans in the Quad-Cities and surrounding area are a spoiled lot. They get the best of virtually everything they want in athletics—thanks to the Southwestern Conference.

Wally Rauth, Belleville wrestling and tennis coach who has been a part of the conference for more years than he'd like to admit, talked about it the other day. The Southwestern's record of the past 11 months has been especially impressive, he pointed out.

It started last spring when Alton repeated as state track and field champion and Rauth's Belleville netters finished second in the Illinois finals.

"Then we had three real good football teams—Belleville, East St. Louis and Granite City—that won state and national recognition," he said. There is, of course, no tournament competition in football.

Next, Granite City shared the state wrestling championship followed quickly by Collinsville's victory in the "Sweet Sixteen" football finals.

"There's another conference in Illinois that can compare with that record,"

asked Rauth. "I don't think so."

The 12-month period could end with more state honors for the conference, Jim Morrison, Granite City track coach, predicts Alton and East St. Louis will be top contenders for the state track title. Granite City, by just performances and present capabilities, figures to make a run toward the state baseball "tourney. Belleville again is strong in tennis. And golf—well, why not?"

It's easy to see why college scouts keep a sharp eye on Southwestern Conference athletes.

Model Airplane Display Slated at Grant Store

A display of model airplanes will start Sunday at the Grant store in the Namsok Village shopping center. The Tri-City Sky Stealers, sponsoring club, will climax the display with a flying demonstration from 1 to 3 p.m. April 25 in the parking lot.

The club will co-sponsor a model contest June 6 at the Civic Memorial Airport near Alton. The Sky Stealers and the Alton Area Thunderbolts will award 32 trophies in open, junior and special events. John Blum is the club's director for the contest.

Warriors Win Triangular

GC Trackmen Shoot For Third in Relays

Third place is the goal set for the Granite City Warriors in today's Southwestern Conference Relays at Alton. Preliminaries start at 4 p.m. with the finals at 7 p.m. in Public Schools Stadium.

Coach Jim Morrison, of course, would like to win the annual seven-school meet but defending state champion Alton and East St. Louis are heavy favorites.

The colorful meet will include the traditional carrying of the Olympic-style torch by Edwardsville's Curt Deal, state high jump champion, and Alton's Maurice Pittman, state 440-yard dash king.

Deal won the high jump at six feet, two inches, here Monday night in a triangular meet. Granite City won with 57 1/2 points followed by Edwardsville 53 and East St. Louis Assumption 33 1/2.

The Warriors had just two individual winners—Leonard Revell in the 100 and Jerry Lane in the 200—but sprained to two relay victories. Cool temperatures and a strong wind blowing into the finish line hampered the athletes' performances.

There were two double-winners. Jim Krejci of Edwardsville in the 880 and mile and John Avasall of Assumption in the 220 and broad jump.

Morrison was happy with the finishes of Mike Forcive in low hurdles, Mike Barnhart in the mile and Jim Pomeroy in the half-mile. All three were running the events for the first time.

ACU's Leonie Revell won the 100 and anchored both relay teams.

COMING DOWN the stretch, however, the veteran Krejci had opened up a big lead and won in 2:06. Pomeroy got in the scoring column by finishing fourth. His teammate, Mike Barnhart, was second.

New Recruiters to Form Cardinal Company in May

A "1965 Cardinal Company" for Navy recruits will be formed during May by the St. Louis recruiting district with the cooperation of the St. Louis Cardinal baseball club.

The company will be sworn in May 20 prior to the Cardinals-Phillies game at Busch Stadium. Quad-City youths may obtain information by calling the East St. Louis recruiting office, UP 5-3050, or by visiting the Navy recruiter on Monday, Friday of Wednesday morning at the city hall in Granite City.

Baseball Warriors Play One Game: They Win It But Lose Three Others

Granite City's Warriors played only one baseball game this week and won it—but they lost three earlier victories by forfeit.

Jim Rains' near-no-hitter gave the Warriors a 4-0 triumph Tuesday over the East St. Louis Flyers at Jones Park. Yesterday's game with Collinsville was postponed due to rain.

Coach Joe Fedora announced that the school announced forfeitures of 3-0 and 4-0 over Staunton, a non-conference foe, and 2-1 over Edwardsville, a Southwestern Conference opponent.

Fedora explained that a scholastically inept player was mistakenly used in those games. Upon discovery of the error, Fedora said letters of forfeiture were sent to the two schools.

"It was just one of those things that slips by sometimes," the coach explained. "We're just fortunate that it was discovered before the boy played any more games."

Now 3-2 in Loop

The three forfeits plus the victory over East St. Louis gave Granite City a revised overall record of four wins, five losses and one tie. In the conference, the Warriors have a 3-2 mark.

"That really doesn't put us in too bad a shape," Fedora said, "because all the other teams, except Alton, have two losses, too. And I think we can handle Alton next time."

Alton has a 4-0 record, followed by Granite City 3-2, Belleville and Collinsville 2-2, Wood River 1-2, Edwardsville 1-3 and East St. Louis 2-4. In addition, the first Belleville-Wood River and Alton-Edwardsville games ended in ties which will be replayed if they affect the final standings.

The Warriors are slated to visit Wood River this afternoon and then take an Easter break until next Tuesday's visit to Alton. The Redbirds topped the Warriors 8-3 in their first meeting.

Right-hander Rains, a junior,

had a no-hitter going against East St. Louis with one out in the seventh and last inning. Then Forry Wells ruined the attempt with a sharp line to right-centerfield.

The next batter, Steve Rohr hit an apparent double-play ball that struck a high spot on the infield and bounced over shortstop Larry Dillard for a base hit. Rains then retired the side and finished the two-hitter with five strikeouts and one base on balls.

An error and Jerry McGee's an-run-scoring single gave the Warriors two runs in the third inning and pinch-hitter Don Mezey's two-run hit in the fourth made it 4-0. Gene Bryant and Joe Hauptman each had two hits. Rick Whitwell and Dillard each had one all-singles.

Score by innings: R H E
Granite City 002 200—4 8 0
East St. Louis 000 000—0 2 2
Rains and Hauptman: Bynum, Shepard (7) and Rohr.

PPHS Trackmen Win Triangular; Second in Quad

Prather ninth graders scored 66 points to defeat Collinsville Webster (44) and host Roxana (27) in a track meet Monday, and then finished a distant second in a quadrangular here Tuesday. The scores were Edwardsville 77, Prather 29, Chokio 24 and Webster nine.

Carl McDowell won three individual events Monday, the 220-yard dash in 24.6 seconds, the high jump at five feet and the broad jump at 18 feet, nine inches. He also ran with Tom Reynolds, Steve Ross and Timmons on the Chiefs' winning 880 relay team (1:46).

Ross won the 10 and five-hurdle relays in both meets; his best times were 17 seconds and 1:19. The 880 team, with Dave McFarland subbing for injured Reynolds, ran second in the quad.

Other firsts Monday were Timmons in the 100 (11.3) and Bob Tindall in discus (92.5). Seconds were won by Rich Hull in the 440, Reynolds in hurdles, Dave Anderson in pole vault and Pat Breeze in high jump. Breeze, Chuck Fenoglio, Larry Rose and Ron Stone were runnersup in the mile relay. Steve Cochran took second in Tuesday's discus throw.

The local eighth grade team won both days, Monday it was Prather 78, Roxana 31 and Webster 27; Tuesday it was Prather 65, Edwardsville 36 and Webster 13.

A combined summary shows the following firsts: Roger Belas in shot put and discus (twice), Bill Carter in pole vault and 10-hurdle relays (twice), Tony Petrillo in the 100 and 220 (both twice), Dennis McGee in 880 (twice), Larry Lee in 5-hurdle relays (twice) and Larry Pirtle in 440.

LINDA BUDNICKI

Park Sends Entrant To Gymnastics Meet

Linda Budnicki, 16-year-old student at St. Teresa Academy in East St. Louis, will represent the Granite City park district tomorrow and Saturday at the U. S. Gymnastic Federation's national competition at David Lipscomb College, Nashville, Tenn.

She will compete in the Class A compulsory and the Class A optional. Pete Robinson, park gymnastics instructor, will also attend.

Others making the trip are Mrs. John Budnicki, Linda's mother, and Mr. and Mrs. Jack Kulenkamp. Mr. and Mrs. Tom Teague and the following members of the park district team: Robin and Nina Teague, Linda and Ronald Kulenkamp, Kaye Daniels, Debbie Spohn, Ricky Kutzera, Richard Haynes, Roger Hayes and Gary Sneed.

Smith won both times with the 880 quartet of Lee, Carter, Ray Becerra and Petrillo winning Monday and running second Tuesday.

Maple Floor For 1965-66 Warrior Five

Edge-grain maple flooring with a half-inch cork base will replace end-grain pine blocks as the floor of the main gymnasium at the Granite City high school fieldhouse, the outgoing school board decided 6-0 Monday night. The work will be done this summer.

Robert Spengler, retiring board member and a longtime backer of the floor replacement proposal, asked to make the motion on accepting a low bid of \$17,174 from the St. Louis Flooring Co. Ralph Busler, the other retiring school director, was a patient at St. Elizabeth Hospital due to a kidney ailment.

Spengler cited a \$17,000 refund received from the GCCHS gym bleacher purchase following a state suit on behalf of various school districts. The original 1953 floor has not worn out, but it once buckled due to flooding and is believed to have had air pockets beneath some of the blocks since the repairs.

Much of Monday night's discussion dealt with the role of maintenance in achieving and retaining a satisfactory basketball playing surface. A floor salesman recommended use of a vacuum sweeper to prevent dust from filling expansion joints.

The motion specified that formal maintenance procedures be established and that the gymnasium roof and heating air intake be checked to avoid leaks that could cause the flooring to expand and bulge upward.

Mats may be placed in front of bleachers to reduce wear from spectators' shoes but will be removed after games to avoid formation of moisture.

Life of the new 1 1/2-inch hardwood iron-bound floor was estimated at 20 to 30 years by Architect Henry Gabriel, who recommended regular refinishing, with sanding as needed. It will be similar to the gym floor at East St. Louis high school.

In addition to being slightly over an inch thick, the maple boards will be 13 1/8-inch wide and 10 and 12 inches long. Length will be so arranged in the pattern that all areas will have equal resilience.

Other bidders were Ed Moore Construction Co., \$18,572 to \$21,515, based on various combinations of alternates; Henry Rose, \$18,602 to \$25,006; and Leo Wolf, \$19,505 to \$23,796.

Williams clucked a three-hitter, struck out nine and walked three. All three hits came in the sixth as the Comanches scored their lone run.

Davis drove in three runs and scored the fourth. He whacked a two-run triple in the third and scored as the relay throw went away. In the fifth, he singled home another tally.

Other Madison hits were by Steve Shipoff and Lou Ratliff. The Trojans, 2-2 overall and in the Midwestern Conference, are idle until next Tuesday when they visit Roxana.

A game with the Shells at Madison yesterday was rained out and rescheduled for April 28.

Scores by innings: R H E Chokio 000 001 0—1 3 1 Madison 003 010 —4 4 2 Madison 003 010 —4 4 2 Walker, Lane 1st and Cherraw, Williams and Davis.

Madison Distant Third in Triangular; Ingram's Shot Put Victory Lone First

Madison was a far-back third Tuesday in a triangular prep track meet, scoring 14 points to host Roxana's 80 and Bethalto's 54.

The Trojans' Ed Ingram won the school's only first place, tossing the shot 46 feet one inch. Ron Burt (440) and Jim Lane (220) won thirds and hurdler Steve Purkay won two fourths.

Only double-winner was Roxana's Ray Lawrence in the low hurdles and high jump. Teammate Randy Robertson ran the 100 in 10.2 seconds. The results follow:

100-yard dash — 1. Robertson R, 2. Williams R, 3. Walters B, 4. Washenko M, 10.2.

High hurdles — 1. Harvey R, 2. Myers R, 3. Ellipsman B, 4. Purkay M, 17.4.

the 9.8 hp Merc 110 fishing motor with competitors' weed-catchers

The Merc 110, and the 3.9, 6 and 20 hp fishing motors, all have a smother, slanted lower unit housing that slides up and over submerged obstacles. There's no protruding gear-case to damage by impact, or catch weeds that cause overheated engines or fouled props.

Merc's exclusive Jet-Prop exhaust improves engine breathing, increases thrust and reduces under-water drag. Fumes and noise are buried far behind the boat. Mercs have no shear pins to fail... a live-rubber safety clutch protects the prop on impact. All Mercs have full gearshift... forward, neutral, reverse.

Merc's tilted powerhead and internal bleed system eliminates misfiring and spark plug fouling. Fixed-jet carburetors need no adjustment, let you go further, faster, on less fuel.

Report 11 Bicycle Thefts in Madison

A series of bicycle thefts—including the theft of three bicycles from one location—has been plaguing Madison police officials for the past two weeks, and resulted today in a warning to bicycle owners to put them in a safe place when not in use.

Although a lot of the thefts have been directly from garages or carports, and in one instance from a basement, Police Chief Emmett Pazio said that many of the thefts are due to carelessness on the part of owners who leave them in yards or on sidewalks or in public places without locks or chains.

A total of 11 bicycles have been stolen within the last two weeks according to reports at Madison police headquarters.

Three such thefts were reported Tuesday when bicycles were stolen from Leo Torino, 1530 Sixth street; Glen Jackson, 1538 Second street; and Jerry Plantz, 1417 Fifth street.

Other thefts since the first of the month have been reported by Craig Manie, 819 Franklin street; Tom Parks, 46 Greener Homes, Vicksy McBride, Lawrence Hopkins and Kaito Hane, all giving 1715 Collinsville avenue as the location of the thefts; Mrs. Jackie Tapp, 22 Greener Homes, who reported the theft of two bicycles; and Roger Lee, 1608 Second street.

Golf Course Murder Trial Set for May 10

Three area men charged with the murder of an Arlington Heights golf course maintenance man on Feb. 4 were arraigned in circuit court at Edwardsville yesterday and trial was set for May 10.

The defendants are Earnest Lloyd Nichols, 47, and Paul David Kelley, 19, both of Old Alto road, Mitchell, and Charles Earnest Nichols, 21, of 2728 Dale avenue, charged with the murder of Aaron Legett, 36, in an old house at the golf course. Legett was shot nine times about the head and body.

Arraignments were continued a second time to Monday for Albert James Davis, 19, of Rural Route One, charged with taking indecent liberties with the minor; and for Albert Barney Kovach, 50, of St. Louis, charged with forgery in connection with a \$75,000 shortage at the Illinois Pacific Coast Transport Co. in Madison.

Another arraignment was continued again until May 3 for Harry LeRoy "Tohy" Whelan, 19, of 1712 Edison avenue, charged with burglary at the Knights of Columbus club March 6 (he has admitted 18 area burglaries).

Scheibal is Manager Of Insurance Agency

Robert Scheibal of 14 Nassau drive, has been appointed agency manager of the Metropolitan Life Insurance Co. Granite City district office. It was announced yesterday by W. A. Tribes, district manager.

Scheibal is replacing Muri Anderson, who has retired after 34 years service. Scheibal, a graduate of Edwardsville high school, attended Southern Illinois University. He became an agent in the local district in 1961.

Venice Store Theft Case to Grand Jury

James Taylor, 28, St. Louis upholsterer, charged with robbery at the Tri-City Grocery store in Venice, was bound over to the Madison county grand jury by Magistrate William Johnson at a preliminary hearing Wednesday morning in Collinsville.

Property bond was set at \$10,000 and he was returned to the Madison county jail at Edwardsville. He is charged with taking \$2650 at the store on March 12 but was not apprehended until stopped April 3 at a state police roadblock for questioning on a \$40 O'Fallon service station robbery.

Divorce Granted Here

Karen Sue Hooper has been awarded a divorce from Ruel Dean Hooper on grounds of cruelty. The divorce was granted by Associate Judge Fred Schuman in the Granite City division of circuit court. The Hoopers are from Madison. They were married April 1, 1954. She obtained custody of two children, and he was ordered to pay \$25 per week child support.

Auto Entering Drive Hit

As he was driving into his driveway, a car of Dennis R. Cheneault, 2820 Grand avenue, was rammed in the trunk by an unidentified auto and was shoved into the yard of a neighbor, he reportedly Wednesday. He had slowed for a right turn into the drive.

A man may be the architect of his own future, but he still can't get the sun in every room.

The home of Mrs. Evelyn Turner, 3200 Davis avenue, was the place of meeting Tuesday evening for the Homemakers Class of Calvary Baptist Church.

Devotions were given by Mrs. Bernice Snider, and Mrs. Louella Propp, president, presided. Mrs. Edith Harris offered prayer and plans were made to send a fruit basket to a shut-in.

Games were played and refreshments were served to those mentioned and Mesdames Lois Bradford, Esther Owens, Margaret Lowe, Mae Harris, Miss Jeanne Turner and Miss Jennifer Snider. The meeting closed with prayer by Mrs. Owens.

Wire, Cable Stolen From 26C Firms; School Ransacked

Copper wire and cable valued at several hundred dollars were snatched in two burglaries Wednesday night, including about 1300 pounds of wire from R. Dixon Electrical Co., contractor at Lipsett Steel Co. Several feet of cable were taken at the Southwestern Bell Telephone Co. grounds at 2241 Adams street.

Jesse Hilliard, Dr. Norman, and 15 coils of wire of various lengths totaling 1350 feet, and two welding lead wires 150 feet long and two 50 foot long were taken from a trailer which had a disc lock broken off. Burglars cut into the fence to enter the telephone company yard.

A television set was taken and desks in all classrooms and the office were ransacked in a burglary at the new Logan school, West 25th street and Deane avenue. It was reported at 5:50 a.m. Tuesday. Entry was gained by breaking glass out of the hall door on the north side.

Pistol Stolen
Malcolm Wallace, 1229 Edwardsville road, reported at 11:20 p.m. Wednesday that a .32 caliber automatic blue pistol was stolen from a desk in his bedroom. He said the bottom of the gun stock was broken on the left side.

Mrs. JoAnn Kubik, 3141 Myrtle avenue, reported at 2 p.m. Wednesday that her son's ball glove was stolen from her yard between 4:00 and 5 p.m. Sunday. It was valued at \$10.

Mrs. F. J. Lynch, 2215 Lynch avenue, reported at 8:05 a.m. today that an undetermined amount of gasoline was siphoned from her 1955 auto while it was parked during the night in front of her house. A hose was left at the scene.

William Hays, operator of Hays' garage, Market street and Madison avenue, reported to Madison police Wednesday that two tires and wheels were stolen Tuesday night from a 1962 model car on his lot. The thieves climbed a fence to steal the wheels and tires which were on an auto that had been towed in from an accident.

MORE ABOUT Board Posts

(Continued from Page 1.)

schedule at 7:30 p.m. on the second Monday and fourth Wednesday. Any committee reports will continue to be heard at the latter meeting each month.

Worthen said his only request to the board is that each member base his actions on "what is best for the school district."

Linder described 1964-65 as a busy year, during which much was accomplished.

Robert Spengler was presented with a certificate of recognition for his service to the district, which he said he had enjoyed for six years on the board. A similar certificate was given to the retiring board member, Ralph Buske, who has been hospitalized.

After a business session on personnel matters, concluded the meeting.

Mrs. Anna Danco, 86, Dies in Nursing Home

Mrs. Anna Danco, 86, of 302 Pine Lake road, Collinsville, died at 2:50 a.m. today in the Main Street Nursing Home, Alton, where she had been a patient 11 days. She had been ill for the past month. Death was due to infirmities.

Mrs. Danco was born in Czechoslovakia and had lived 40 years in East St. Louis. She was a member of the National Polish Society at Chicago. Her husband, Andrew Danco, preceded her in death in 1931.

She leaves five daughters, Frank (Anna) Rudney of Chicago, Mrs. Susie Siegel of East St. Louis, Mrs. Fred (Mary) Rudney of New Smyrna, Fla., Mrs. Lee (Mildred) Brown of Fort Wayne, Ind., and Mrs. Joseph (Della) Bednar of Chicago, four sons, Andrew of Collinsville, John and Paul of Granite City, and Joseph of Brown, X-10 grandchildren and 25 great-grandchildren.

Funeral arrangements are given in today's obituary column.

Voluntary Flood, Storm Gifts Being Forwarded

No drive is planned, but local Red Cross officials announced at their April board meeting Tuesday that tornado and flood disaster contributions will be accepted and forwarded. The combined devastation has threatened area and national relief with assignment of a large number to rescue and rehabilitation duties. It was noted.

Mrs. Harry Epstein described Red Cross work overseas and said he had been overseas and reviewed the Red Cross service of the late Irvy Todd, former disaster chairman. A moment of silent prayer was held in his honor.

Gerald Walters presided, and the annual installation dinner was set for May 17 at the Army Depot. Barry Loman heads the nominating committee. March home service included \$267 assistance and 126 assignments, felder.

'Anti-Poverty' Pre-School Summer Classes Sought Here

Details remain to be worked out, but plans are being made for 17 summer school classes for Quad-City area pre-school children under the new federal anti-poverty program.

With a limit of 15 in each class, 253 youngsters are to be accommodated — 90 in Granite City, 90 in Madison and 73 in Venice.

Federal funds will meet 90% of the costs, and the local contributions will include the value of donated classrooms and donated administrative services. Instructors will last upon weeks and there will be consultation with neighborhood parent committees.

Due to a hitch not yet pinpointed, voluminous reports and applications to be hurriedly assembled during the weekend and early this week for submission to the county school superintendent and forwarding to work Washington, D. C., by Tuesday.

Work With Housing Authority
Because of the insufficient funds for adequate planning, Granite City principals voted 11-5 against applying, but the school board Monday night authorized the district to participate jointly with the Granite City Housing Authority in the latter's application. The vote was 6-1, with Board Member Daniel Linder opposed.

Madison and Venice school districts will administer the program in their areas, led by Supt. Wensel Brown and Supt. John Pier.

Granite City directors will instruct Supt. Russell D. Johnson, Thomas Jones and David Morgan.

Another disadvantage cited was the listing of federal requirements, including full pay for teachers who will be withdrawn only three hours daily. Withdrawal from the federal plan will be considered if it disrupts the regular Granite City summer school program, which cannot afford similar salaries.

Laborers' Walkout at SWIU Campus Settled

A one-day walkout of laborers at the Southwest Illinois University campus construction site, which began Wednesday morning as the result of a jurisdictional dispute with the carpenters union, was settled late Wednesday afternoon and work was resumed this morning.

The brief walkout curtailed about 75% of the operations throughout the day. SWIU officials said Wednesday they did not know of the cause of the walkout and Charles Steward, business agent for Local 179 of the International Hodcarriers and Building Employees Union, refused at that time to say what caused an interruption in work. He said he was surprised when he learned of the walkout.

Two Women Injured in Separate Falls

Two women, both in their mid-50s, were admitted yesterday at St. Elizabeth Hospital after suffering injuries in separate falls. Both are in fair condition today.

Mrs. Annie Kulazka, 812 Greenwood avenue, Madison, incurred injuries to her head and right arm when she lost her balance and fell several feet from a step-ladder, and Mrs. Blanche Seagrass, 2517 Delmar avenue, injured her left arm and knee in a fall down basement steps.

Re-Enters Hospital With Back Injury

Frank Wondra, 2664 East 27th street, re-entered Jewish Hospital, St. Louis, Tuesday, for additional treatment of a back injury.

A forearm at American Steel Foundries, Wondra was hospitalized for six weeks earlier this year and underwent surgery. Feb. 15 for the same injury. He is presently in traction, but is allowed visitors.

Alton Relays On Again

The Alton Relays, rained out twice and canceled previously, have now been rescheduled for April 24. However, the Granite City high school team, one of the original entrants, will be at the Mattoon Relays that day.

Woman Loses Wallet

Linda Vallesy, 1715 West 22nd street, reported at 1:20 p.m. Wednesday that she lost a light brown wallet containing valuables, including her driver's license, on Tuesday.

Fined \$50, Costs

James Williams, 37, of 1738a Cleveland, Cal., was fined \$50 and costs today by Magistrate Merlin Eliscott on a drunkenness charge. He was arrested 12:15 a.m. today at 18th street and Delmar avenue.

Hearing Indefinite

No hearing date has been set for the case of Miss W. Eliscott on four April 10 state police charges against a Madison truck firm operator, Gerald Moss. He is free on \$300 cash bond.

Easter Holiday Brings Out GHS Band Tag Days

Quad-City school children today began their Easter holiday and are to return to classes next Tuesday.

With the holiday, members of the Granite City high school band are conducting their annual tag days to raise funds for their annual trip to New Orleans. Other student groups are holding car washes and work days to raise funds for the Easter Seal campaign.

Two Road Arrests

Lynn Earnest Collins, 2821 Saratoga avenue, was arrested at 2900 Madison avenue, and Freddie H. Greenley, Caseyville, was stopped at 2300 Pontoon road on speeding charges Wednesday as police used the radar unit.

Attend Services For Brother in Illmo, Mo.

Mr. and Mrs. Leonard Ham and son, Daniel, and Mr. and Mrs. Clarence Ham and daughter, Peggy, of Granite City, returned Tuesday evening from Illmo, Mo., where they attended funeral services for Paul A. Ham, 50, a brother of Leonard and Clarence Ham. Also attending services were another brother, David Ham and his wife of East Alton.

Mr. Paul Ham, a former resident of Granite City for two years died Sunday night in Dexter Convalescent Manor at Dexter, Mo., where he had been a patient four years, as the result of a train-truck accident at Illmo, Mo. While living in Granite City in 1938 and 1939, Mr. Ham was employed at Granite City Steel Co.

MORE ABOUT Levee Board

(Continued from page 1.)

took up the fight. He opposed the amendment in committee on grounds the amendment was not germane to the original bill, and succeeded in getting the amendment tabled. Dixon, in fact, made the tabling motion.

The judiciary committee then voted the salary increase bill out of committee with a recommendation that it be passed. A day later, Dixon moved to push the bill to passage stage (third reading) by unanimous consent of the House—and failed by a slim margin.

Had the consent been given by the House, it would have precluded any additional amendment.

At that point, however, State Rep. Greenville Hodges, Republican

of Granite City, who had gone along with the referendum clause, announced he planned to reintroduce the referendum amendment on the floor of the House, killing Dixon's move to push the measure to third reading without further opposition.

Feared Floor Fight
For some reason the levee district feared a floor fight on the salary bill and the bond referendum amendment. Rather than chance the possible passage of a referendum amendment, it decided to sacrifice the salary increases.

Dixon delayed advancement of the amended salary bill, cutting the time for reading it within the constitutional limitation. This automatically killed the measure and the referendum amendment died along with the salary bill.

The action was considered a politically astute move at the time. The levee district had been fighting the potentiality of a

referendum on bond issues for a long time, and apparently was not willing to take any chance of it being made into law in that session of the legislature. It later became effective in January 1963.

The salary increase measure would have permitted the levee district to pay its trustees a salary of \$3500 per year, an increase of \$2500 over the old limit, with the president getting \$4500. It would have allowed salary increases for board attorneys up to a maximum of \$5000.

Clarification Delayed
In the Senate, meanwhile, Gray was fighting against the new Bi-State compact that included authority to acquire and operate sewers, drainage canals, and similar facilities.

Negotiations resulted from Gray's strong opposition on the Senate floor. Since Illinois approval of the compact was needed, along with similar action from Missouri, the Bi-State com-

Granite City PRESS-RECORD Thurs., April 15, 1965 Page 17

past sponsors agreed to withdraw, by amendment, the features which drew objections. Further delay developed, and within 10 days of adjournment, the entire bill was killed.

As a result, the Bi-State agency was required to continue operation under its old compact of 1948. New legislation, had it been passed, would have cleared up a number of points over the agency's financial authority. They were subsequently clarified.

These examples demonstrate the ability of the levee district to move into the state legislature, either as friend or foe, to effect controls to the benefit of the district. It has demonstrated this ability through the years.

10 Named to GC Teaching Staff Next Year

Ten teachers were hired for the 1965-66 year by the Granite City school board Monday night. Included was a speech therapist, Miss Dora Rose Diekmann, North-

ward, St. Louis, master's degree and two years of teaching; Miss Karen J. Nix, 2828 Vine drive, St. Louis, master's degree and two years of teaching; Miss Janet Ann Jordan, Collinsville, Eastern Illinois U. bachelor degree, Stallings kindergarten.

Teacher Resignations
Resignations were accepted from five teachers, effective at the end of the current term June 4:

Ron Beard, 2531 Stratford lane, GCIS mathematics; Mrs. Roma Chenoweth, 2703 Center street, GCIS English and speech; Mrs. Treva Gibson, East St. Louis, GCIS English and German; Miss Joyce Ann Litton, 2134 State street, GCIS English

and mathematics; and Miss Phoebe Gish, 76 University drive, Mitchell fourth grade. Miss Litton has received a National Defense Education Act fellowship to attend the University of Mississippi.

Also accepted was a resignation from Larry Urbaniak, who had been hired as a GCIS mathematics teacher for next fall but accepted another job.

A leave of absence for the 1965-66 school year was granted to Mrs. Carlene Buehner, Rural Route One, Coolidge junior high English and history teacher.

A resolution was adopted recommending the late Miss Grace Sewing for her long service to the school district and the community as a GCIS teacher.

Third Machine Shop Class
Operation of a third three-hour machine shop class from 3:30 to 6:30 p.m. daily beginning next fall was approved by the board. Salary will be discussed with American Federation of Teachers Local 743 before adoption.

Assignment of students to the late class will be semi-voluntary. Supt. Russell D. Johnson said: "Those attending will report in the late morning and afternoon for their other classes. Enrollment has increased to the point where it cannot be handled in two groups while meeting machine shop safety standards, the board was told."

Coaching assignment revisions were discussed, with action deferred. The board approved summer school plans, authorizing up to \$15,000 of the cost to be undervoted by the district, depending on enrollment.

Letters thanking the district for permitting Keith Parker, a Coolidge junior high school counselor, to serve as referee at the state high school basketball tournament, and allowing Miss Barbara Kerch, director of elementary physical education and girls' junior high school physical education, and Miss Leigh Heller, Frohardt school physical education teacher, to attend the annual meeting at Dallas, Tex., of the American Association for Health, Physical Education and Recreation.

Educational Conferences
Miss Kerch was authorized to participate in a National Education conference on "Reporting to parents," May 17-19 at Camp David, Md. Expenses will be paid by the NEA for Miss Kerch, one of four from the entire U.S. asked to work on the project.

Principal Owen E. Humphrey of Maryville school was authorized to attend a meeting April 24-28 at Miami Beach, Fla., of the NEA Department of Elementary School Principals.

Supt. Johnson noted an increase in attendance at educational conferences and said such meetings are valuable to the school district.

He and several principals heard a talk by State Supt. of Public Instruction Ray Page at Belleville last month, and he and Mitchell Principal Harold Biggs, Johnson Principal Dale Rod and two AFT representatives, Jon Mullen and Richard Huff, went to Springfield last week to confer with Senator Simon and Representatives Harris, Kennedy and O'Neill on school legislation. He said the proposed state aid increase would boost Granite City school revenue by \$500,000.

Amendment of the new school fire safety code also is pending. Plans were made for Supt. Johnson, Tom Jones, acting Frohardt principal, and Board Members George Moore and Royce Timmons to attend a meeting to-night at Sunset Hill Holiday Inn on formation of a community action committee under the federal Economic Opportunity program.

May Use Old Levee Rate Again
Administrative Assistant Victor Anderson and one to three board members will represent the district at a meeting at 7 p.m. next Monday in Edwardsville. Supervisors, collectors, school officials, County Clerk Eulalia Holt and State's Attorney Joseph Bartylak will confer on the possibility of utilizing the 1963 East Side Levee & Sanitary district tax rate with other agencies' 1964 rates in 1965 tax collection.

Late
Late determination of the levee rate often has delayed collection here, forcing public bodies to borrow rather than invest funds. A previous rate also was used in 1964 collections.

A letter from Miss Gish confirmed 1964 assessed valuation at \$186,808,957, an increase of \$4,652,012, and Supt. Johnson noted that actual rates in five funds were 6.35 cents less than those projected on the basis of preliminary assessment estimates.

Instead of the actual rate increase of 13 cents for new bonds, the total rate hike will be seven cents. Moore's commendation of the previous board for living up to its promise to not immediately use an authorized rate increase was placed in the board minutes.

The Granite City Association for Aid to Retarded Children was permitted to use the Nodding school kindergarten and gymnasium June 14-25, and the Granite City Judo club was allowed to borrow wrestling mats for a judo exhibition at the YMCA.

THE MADISON COUNTY SPORTSMAN

By DON HASTINGS
County Conservation Officer

Fishing so far has been just so-so as the weather has been uncertain. Water temperature in my lake, however, has reached 53 degrees so the fish should be moving.

Fair catches of carp and bullheads at Silver Lake, Highland, and one good catch from a private lake near Marine have been reported. Commercial fishermen, though, have had little luck catching channel cat and this is a pretty good barometer on game fishing. Carp catches have been heavy.

Be sure to remember your fishing license if you are 16 or over and are fishing elsewhere than at your home. You still need a license at fee areas where you pay to fish.

With the decline in sale of licenses throughout the state in recent years, the Conservation Department has increased its checking of licenses and firm prosecution of all violations. In populous counties such as Madison, assistance will be given the local officer at peak fishing times by other district officers. Therefore you may be checked by others in addition to myself this summer.

Fish Kills Near Alton
Two recent fish kills: A heavy one of unknown cause killed only shad in the Piasa Creek above Alton and a more serious one at a club lake, also near Alton. Apparent cause was pollution of sewage from an overflowing lagoon. Heavy fertility in the lake caused by sewage or

barnyard drainage can cause a serious algae problem and may kill fish through removal of oxygen from the water. In this case it caused fungus to form on the fins and tails of the fish.

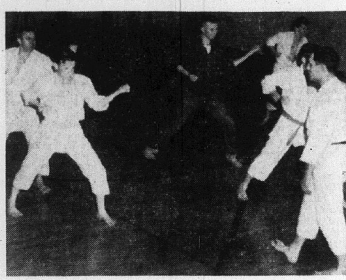

The fungus appears as a gray gelatin mass and eventually covers all of the fin or tail. Soon bleeding occurs and eventually death. At current fish replacement costs the loss appeared to be over \$1500. Some action may be taken through the State Sanitary Water Board.

All pond and lake owners should be certain that septic tanks or barnyards are not draining into their lakes and streams. Detergents are one of the worst pollutants.

Nursing Small Doe
My family is currently nursing a small doe fawn that ran into the side of an auto in Godfrey and was injured. After a trip to a veterinarian we believe she will be okay and eventually can be released again.

A fawn of last year, she had an antler and we are awaiting word from the department to see where she was tagged and released.

A nice gesture in the Highland area—where several rural residents near Gruntz built wood duck nest boxes on Silver Lake. They are on steel posts about 4 feet above the water. The boxes are to keep animals from crawling up. Wood ducks should be left undisturbed during the nesting period.

YMCA KARATE class, under direction of Ed Cwikowski (right), is now being offered on Monday nights in addition to the regular Wednesday session. The instructor has the rank of second degree black belt in the traditional Japanese sport.

Special Hunt Season For Teal Sept. 18-26

A special statewide hunting season for blue-winged and green-winged teal has been designated from Sept. 18 through Sept. 26 by the Illinois Department of Conservation.

Duck Hunters must acquire a special free permit to hunt during this season. Hunters must send name, address and county of residence to Room 100, State Office Building, Springfield, by July 31.

Registered blind hunters on any public area managed by the department should include the area name and blind number. Hunters must have a valid Illinois hunting license and 1965 federal waterfowl hunting stamp.

Rookie Kegler Hits 666

Larry Eaves, 18, son of Mr. and Mrs. Nick Wargen, 904 Grand avenue, fired a 666 in league play last night at Madison Bowl. He is in his first season of league competition. Tony Pogorelec, 607, however, took high honors.

Historical Okawville is Attracting Many Visitors

Illinois Expedition Land has many attractions for its visitors, regardless of the area: Washington county, spanned by Illinois highway 400, both east and west routes, and State 127, north and south, has more than its share of historic spots to intrigue Quad-Cityans.

A geographical oddity in the county, inasmuch as the most level farm land, is a large natural spring of pure water, located at Okawville, village of 1000 people, 22 miles east of Belleville, 22 miles west of Centralia, on highway 15 and 177 and the L&N railroad.

The spring, discovered almost a century ago, gave rise to a terrific hotel business in Okawville that still continues. Now enclosed on the grounds of the Original Mineral Springs Hotel,

the water from this spring, high in magnesium, has been used to treat more than 150,000 patients suffering from muscular ailments since it was discovered in 1880.

People arrive from every state in the union to bathe in the spring water, to drink it in copious quantities. The Original Mineral Springs Hotel, at the site of the spring, is open year round.

Well Dug in 1867

Okawville, named after an Indian tribe of the same name that once roamed this region, started its real growth in 1867 when Rudolph Plegge noticed that the water from a new well he dug differed greatly from the rest of the area wells. He called this to the attention of Dr. James McCall, a physician from St. Louis, who, in turn, called on Dr. J. H. Kelle, who had at that time served in the famous Baden-Baden, Germany, had a restaurant service. Five miles to

presence of magnesium for one chemist, who said it was a very thing. He realized there also must be sulphuric acid, or the water was not good for medicinal purposes. Samples of the water were then analyzed by St. Louis at Baden-Baden, Germany, had a restaurant service. Five miles to

the meantime settled at Okawville. With Kelle, Plegge started a small bath house at the spring to treat rheumatism and other diseases, in the same manner they were treated at the famous German spa.

From this humble beginning evolved the present Original Mineral Springs Hotel, and its medicinal baths, known far and wide.

Quiet, Scenic Town
Okawville is a great people who, knowing the great virtues of the mineral waters in their midst, are glad to share their blessings with incoming visitors. Beautiful homes, well-kept lawns and shaded streets make this town an ideal one in which to live and visit, free from the noise and bustle of metropolitan centers, with easy driving distance and still far enough away to keep from impairing their smog, crime and vandalism.

The tourist wishing to head-quarter here while visiting Illinois Expedition Land can find ample accommodations at the hotel, with its bath, room and restaurant service. Five miles to

RETREAT PLANNED FOR HOLY NAME MEMBERS
The Holy Name Society met at St. Elizabeth Catholic Church Tuesday evening, with Rev. Lawrence Mattingly opening the meeting with prayer.

Everett DeMott, president, conducted the business session and received reports from committee chairmen and officers. Pat Bach discussed the society planned for May 14, 15 and 16 at King's House, Belleville. All men of the parish are being invited. Dave Haack reported on a retreat earlier this year at St. Joseph's, Desatur.

The athletic chairman, Art Koepfer, requested funds for insurance on the three baseball teams sponsored by the society. An invitation tournament for the bantam soccer team will be played against Belleville at 11 a.m. Saturday at Coolidge junior high school.

A monthly fish fry will be held in the school cafeteria April 30. About 20 members attended, and the next meeting will be May 11.

WORLD SERIES FILM FOR PTA MEETING

An executive board meeting of Frohardt PTA was held Tuesday evening at the school. Plans were made to show color movies of World Series baseball between the Cardinals and Yankees at a regular PTA meeting Tuesday evening. Francis Herman will serve as program chairman.

NAMEOKI PTA TO ELECT OFFICERS

The Nameoki PTA executive board met Tuesday evening at the school. Walter Volkman, president, called the meeting to order, with ten present. Mrs. Joan Mase, by-laws chairman, reported on several changes which are being made. Installation of a crossing guard in front of the school on Pontoon road was noted.

Election of new officers will be held.

MORE ABOUT Committee

(Continued from page 1.)

going into negotiations with a non-bidder to undercut the bids," he added.

He told the council that representatives of National Disposal will be called to meet with the council next week to go over their contract proposal in detail. He indicated the meeting would be later in the week than the Monday night council meeting.

Rutledge added that he had received advice the city had no alternative but to accept the bid despite an opinion from City Atty. Filcoff that the March 19 notice to LaMoar United-four days after bids were closed—would submit the city to litigation should LaMoar want to bid.

Alderman-elect Gerald Parry asked the committee to get data from other cities served by National Disposal on its service. All four new aldermen-elect were present—Parry, Roy Poulos, Richard Ery and B. E. Robertson. Others present were Parry, Rutledge, Sternberg, Moore, Euliss, Stinson, Whitmer, Bagdasarian, Johnson, Boyd, Bergfield, Nonn and Basarich and Atty. Filcoff.

Waiting on Letter
Filcoff said that he met with Kettlenhofen on April 2 "and we worked out the procedure to be followed. Kettlenhofen told me I would write me a letter in detail explaining what the city would be required to do. I'm still waiting on that letter. As far as I am concerned, I have everything ready that he said the state would need. Under the original agreement, the state is supposed to handle the condemnation. But in view of this new delay, I won't wait any longer. I'll write today to Kettlenhofen and ask him when I am to receive the instructions they were supposed to give the city."

The attorney said that after meeting with Kettlenhofen he spent two weeks "knocking on doors in search of owners of property and other information which is what the state said I needed. I have all that information but have been waiting on Kettlenhofen's instructions."

Last January a group of city officials, civic leaders and highway department officials met in an attempt to expedite the National road improvement job, considered the most badly-needed improvement in the area.

This meeting terminated with a March 1 deadline for negotiations for purchase of right-of-way by the city. All tracts for which negotiations were incomplete at that time were to be placed in condemnation.

clude the city would be required to prepare a condemnation report which would contain in detail the information needed to file proceedings in court. This report would be sent to the attorney general in Springfield who, in turn, would assign an assistant to handle the cases.

The city then would be required to prepare the condemnation cases, Krust said. After they are filed in court, he expected, the highway department could exercise a "quick-take" power provided in law for the highway department in setting disputed right-of-way cases. He said application of this authority would speed up disposition of the cases and could mean completion of the right-of-way cases in about 30 to 60 days.

"However, it is necessary for the city to request us officially to step into the condemnation proceedings," Krust said. "This they have not done. We have not had any kind of communication from the city and have not received a final report on the property that is to be condemned. Until the city takes this action, there is nothing the highway department can do."

Miss Segar Presides at Reading Council Dinner

Miss Virginia Segar, Granite City, Logan and Marshall school remedial reading teacher, president of the Madison-St. Clair Counties Council, International Reading Association, presided at the council's annual dinner meeting attended by 225 Monday night at East St. Louis high school.

Dr. David Bear of Southwest Illinois University's Alton center will be the next president, and Mrs. Daley Kennedy, Cahokia, was chosen as president-elect. Besides Miss Segar, retiring officers include Mrs. Gladys Page, Granite City, secretary-treasurer.

Dr. Ruth Strickland, an author, lecturer and University of Indiana research director, spoke on "New Approaches in Teaching Reading." Those introduced included Raymond D. Druegh, Madison, assistant Madison county school superintendent.

Boyers Announce Arrival
Mr. and Mrs. Marvin Boyer, 1533 St. Clair avenue, are announcing the birth of their first child, a son, at 7:50 p.m. Wednesday at St. Elizabeth Hospital. He weighed nine pounds, nine ounces and was named Michael Joseph. The father is on the staff of the Granite City Trust & Savings Bank. The grandparents are Mr. and Mrs. A. P. Steinhauser, 1615 Lindell Blvd., and Mr. and Mrs. Marvin Boyer, 1821 Rodgers avenue.

Completion of the right-of-way project since all other details have been worked out for starting the project as soon as the right-of-way tracts are available.

The project is scheduled on this year's highway department program and the money has been appropriated for the first section of the improvement—that from Madison avenue to the northern city limits. Highway officials have said about six weeks will be required to call bids and let a contract after the right-of-way is available.

Efforts to get the project underway as soon as possible have been made so that at least one mile of the widening could be completed in time for use during the winter months. Completion of the project, even if it were started when the next two months, will run into next year, officials said.

Attend Church Easter Sunday

ST. BARTHOLOMEW'S EPISCOPAL CHURCH
22nd & Grand avenue
Rev. Paul Dicks, rector

A sung Mass at 6:30 p.m. today will be a feature of the Maundy Thursday program at the church. After Mass the Blessed Sacrament will be carried to the Altar of Repose and the Altar will be stripped.

On Good Friday there will be Solemn Liturgy of Good Friday 2:30 until 5 p.m. and from 7 to 10 p.m. Litany, prayer and address will be at 7:30. On Holy Saturday there will be Matins and "Agnus Dei" at 9 a.m.; Easter Vigil Liturgy at 7:30 p.m. and confessions from 5:30 p.m. to 7:30 p.m.

Easter Sunday there will be a Low Mass at 7 a.m. and a Sung Mass at 10:30 a.m. After the last Mass there will be a coffee hour in the parish hall, a service of Blessing of Children and an egg hunt for the children.

ST. MARY'S CATHOLIC CHURCH
1621 Tenth st., Madison
Rev. Blenc Engelbert, pastor

On Good Friday Confessions will be heard from 4 until 5 p.m. No confession in the evening. The four-part Liturgy will begin at 7:30 p.m.

Blessing of food will take place at 2 p.m. on Holy Saturday and confessions will be heard from 4 until 5 p.m. (No confessions until 7:45.)

The Easter Vigil will commence at 8 p.m. Saturday. It will consist of Blessing of Fire at the entrance to the church, procession with Easter candle to the sanctuary; Litany of All Saints; Solemn Blessing of Baptismal water and renewal of baptismal vows.

On Easter Sunday there will be Holy Masses at 5:30, 7:30, and 9 a.m.; Solemn High Mass at 11 a.m. and Benediction of the Most Blessed Sacrament after 11 o'clock Mass.

FIRST CHURCH OF CHRIST, SCIENTIST
2560 Delmar avenue
Rev. Samuel Boda, minister

"Doctrine of Atonement" is the subject of all Christian Science Churches Sunday, including First Church of Christ, Scientist. What do Jesus' sufferings and triumph mean to us today? This is the underlying question to be taken up.

The Bible lesson to be read will include this verse from 11 Corinthians: "Therefore if any man be Christ, he is a new creature; old things are passed away; behold, all things are become new."

On Good Friday the congregation will participate in the annual memorial service of the First Holy Communion. Mrs. Mary Cell will be at the organ and will also accompany the Choir for this service and all Holy Week services. The Choir will sing the Bach chorales from the Passion according to St. Matthew. The pastor will deliver the Communion message and will administer the Holy Sacrament.

On Good Friday the congregation will participate in the annual Noonday Service sponsored by the Lutheran Bureau at the Washington Theatre. The Choir will sing "What e'er may vex or grieve thee" and the pastor will conduct the choir. In the evening the congregation will hold its own church service and the Senior Choir will sing Bach's "Come, Gentle Death." As a part of the service, a 15-minute sound movie in color will be shown in the church sanctuary.

Easter morning members of the congregation will take part in the outdoor sunrise service at 6 o'clock in Wilson Park sponsored by the Lutheran Bureau. Leading the congregation in singing will be John T. Sevine with a brass ensemble. In case of rain the services will be held at St. John Lutheran Church.

Sunday school will be at 9 a.m. and at 10:15 the congregation will hold a Festival worship service. Baptisms will be performed. The Senior Choir will sing Handel's "Hallelujah, Amen" and the pastor will deliver the Easter message.

ST. JOHN LUTHERAN CHURCH
St. Clair at Dale avenue
Rev. Samuel Boda, minister

The new confirmation class will commence for the first time at Maundy Thursday services at 7:30 this evening.

Members of the congregation will participate in the annual memorial service of the First Holy Communion. Mrs. Mary Cell will be at the organ and will also accompany the Choir for this service and all Holy Week services. The Choir will sing the Bach chorales from the Passion according to St. Matthew. The pastor will deliver the Communion message and will administer the Holy Sacrament.

CENTRAL CHRISTIAN CHURCH
2020 Johnson road
Rev. James R. Craddock, minister

The dawn of the Day of Resurrection, Easter Sunday, will be greeted with a sunrise service sponsored by the high school and post-high school youth at the Chain of Rocks Park in St. Louis.

Two identical worship hours are planned by the congregation and visiting friends at 9 and 11 a.m. Mrs. Paul Davidson, organist, will play "Alleluia" and Wilson for the prelude and the anthem by the choir, directed by Mrs. Joseph Bilbrey, will be "They Have Taken Away My Lord." The sermon by the pastor will be entitled "The Fact and Faith of Easter."

Church school classes for all ages will be held at 10 a.m. A special offering for World Missions of the church will be received at both the church school hour and at morning worship.

At 5 p.m. a special baptismal and Communion service will be held to which the public is invited.

HOPE, LUTHERAN CHURCH (Missouri Synod)
Wabash at Garfield
Rev. Alfred Buis, minister

Good Friday services at the church will center about the Seven Last Words of Christ. The service sponsored by the high school and post-high school youth at the Chain of Rocks Park in St. Louis.

Two identical worship hours are planned by the congregation and visiting friends at 9 and 11 a.m. Mrs. Paul Davidson, organist, will play "Alleluia" and Wilson for the prelude and the anthem by the choir, directed by Mrs. Joseph Bilbrey, will be "They Have Taken Away My Lord." NIEDERHUIS MEMORIAL METHODIST CHURCH
20th & Delmar avenue
Rev. R. Paul Sims, minister

The Quad-City Ministerial Association Union Good Friday service will be held at the church at noon.

An Easter sunrise service will take place in the church sanctuary led by members of the Youth Division. The sermon by the Rev. John R. Curtis Jr., director of religious life at McKendree College, will deliver the sermon at 8 a.m.

The worship hours will be 8:30 and 10:40 a.m. The sermon by the pastor will be "The Stone Rolled Away." Music will be provided by the Chancel and Youth Choirs. Mrs. Russell West is organist and Warren G. Simpkins is choir director.

At 10:35 a.m. the worship will have both Junior and Chancel Choirs singing. The sermon theme will be "Resurrection of the Selfishness." The sermon will be received on Easter Sunday.

GOOD SHEPHERD EVANGELICAL UNITED BRETHREN CHURCH

CONCORDIA LUTHERAN CHURCH
23rd & Grand avenue
Rev. Arvid Twiney, minister

Concordia Lutheran will again worship the Risen Lord twice on Easter. At the sunrise service at Wilson Park and during its own Resurrection Festival Eucharist at 10:15. The pastor will deliver the Easter message. "Forgiveness Only From A Resurrected Christ." The traditional resurrection, "He Is Risen" responses will mark the several parts of the service. The assistant pastor, Vicar Donald Zimbrick, will speak the Liturgy.

With lights subdued and the altar stripped of vestments, Concordia's Good Friday worshippers during the procession of the 7:30 vespers will watch the snuffing out of seven candles to symbolize and impress upon the worshippers the awful consequence of sin and the magnitude of Christ's suffering for sin. A relieving service will symbolize the resurrection. A young people's choir, responsive readings and Vicar Zimbrick's message "Victory Over Death," will be a part of this service.

A special Communion Festival Service will be held at 7:30 this evening.

23 Area Students Listed for Honors In SWIU Quarter

Twenty-three Quad-City area students were among 321 to qualify for the dean's list at Southwest Illinois University during the winter term.

Dean William T. Going, pointing to a consistent increase in the size of the honor list, said 33% more students qualified this winter quarter than in the winter quarter of last year. Students must maintain a grade-point average of 4.25 or better, with a B equivalent to a B and an A.

They are John W. Allen, William K. Bonn, David R. Charlton, Carol Sue Clark, Stella R. Davis, Jon E. Davis, Nicholas J. Fetter, Gerald J. Grakianoff, Sharon Kaye Greger, Edson S. Hendrickson, Virginia E. Judd, Allen R. Kennedy, William J. Lieman, Bernice B. McKay, Nancy Lee Pellett, Helen R. Peterson, Lawrence L. Rummert, Norman T. Smith, Alfred C. Trogue and Richard P. Timko, all of Granite City; Kathleen Ann Boglietti and Paul L. Browley, both of Madison; and Kenneth Langston of Venice.

Cast in Winning Skit

Rick Copeland, son of Mr. and Mrs. Richard Copeland, 2570 State street, was cast as a cadet in the winning skit, "For Heaven's Sake," presented in the Savitar Frolics at the University of Missouri. It was presented by Pi Kappa Alpha fraternity and Gamma Phi Beta and also received awards for the best actor and actress. Rick is a member of Pi Kappa Alpha.

31 GCHS Students Win Ill. State Scholarships

Thirty-one Granite City high school students have been named winners of 1965-66 state scholarships, Dr. Lloyd S. Michael, chairman of the Illinois State Scholarship Commission, announced today.

A total of 7123 qualified for consideration on the basis of 4909 Carl Avenue; Leroy P. Fish, high school academic record and merit, 2181 Harrison Avenue; performance on the American Christy M. Heinz, 2000 Glen College Testing Program examination given last November.

Of the total, 2342 have been awarded; Mary L. Jesse, 3261 offered monetary awards totaling \$1,253.90; honorary awards totaling \$1,253.90; and 1067 have been granted further consideration. All will receive certificates of merit. More than 350,000 seniors competed for awards.

Monetary award winners will receive full or partial payment of tuition and fees up to \$750 a year. The average is \$319.

Local students are Howard D. Abernathy, 2628 East 24th street; Gloria E. Alfelt, 2132 Orville Avenue; Evelyn F. Lane, 3429 Chain of Rocks road; John Barnes, 2434 Logan Avenue; Ca-Est Chain of Rocks road; John Bortch, 2340 Jordan St.; David A. Bourbon, 2430 Franklin Avenue; and James Wittevoogd, Kathleen A. Beave, Rural 1605 Garfield Avenue.

KEITH B. GARNER, Granite City high school senior, who won a half-tuition four-year scholarship to Illinois College, Jacksonville, for his exhibit at the Greater St. Louis Science Fair.

Non-credit adult classes are provided for more than 1000 persons in nearly 100 communities each year by Southern Illinois University's division of technical and adult education.

3 GCHS Exhibits Cited at Science Fair in St. Louis

Three of six exhibits entered by Granite City high school students in the Greater St. Louis annual science fair held in the Washington University field house were recognized by placing.

Keith B. Garner, 17, son of Mr. and Mrs. Vivian Garner, 2331 East 24th street, was awarded a four-year, half-tuition scholarship to Illinois College, Jacksonville, for his plotting of a hysteresis loop.

He was one of 21 students who were awarded a total of \$35,000 in scholarships. His technical advisor for the exhibit was Willis Winfield, physics teacher.

Tom Rottier received a \$5 first-place cash award in the physics division with an entry entitled "Tobacco." His technical advisor was Max Forbes, electric shop instructor.

Bill Pruitt received a third-place certificate for his exhibit of a control carrier motor.

Paul Maas served as his technical advisor.

Other GCHS exhibits entered were John Russell's working model of an electric control dinner, Evanston Mason's exhibit on "Radiation—the Genetic Effects upon Heredity," and a group exhibit by Frank Kierke, Jim LeGrand and Jim Rucker entitled "Hemolytic Streptococcal Rheumatic Fever."

The Science club served as sponsor for the exhibits, and instructor Ted North acted as the fair coordinator at the high school.

CAP Cadets to Hold Space Age Dance at VFW Saturday

The Granite City cadet squadron of the Civil Air Patrol will hold its annual spring dance from 8 p.m. to midnight Saturday at the Veterans of Foreign Wars hall. Decorations will portray a space age theme.

Music will be by the Galaxies, a local group of musicians which plays the type of music teenagers prefer. Tickets cost \$1 and may be purchased from CAP cadets or at the door.

Proceeds will be used to buy training aids and books for the cadets to help pay for uniforms this summer. Jack E. Betag is the commander.

Two GCHS Students Win in Speech Meet

First place honors in the annual post-season speech tournament held at Belleville high school went to Granite City high school students, Linda Sabo, with a dramatic reading, and Philip Spiceland, who gave an after-dinner speech, it was announced this week. A third GCHS student, Jack Farrow, won two preliminary rounds and placed fourth in the finals for a humorous reading.

All are lower classmen and were entered in area-wide speech competition for their initial time. Granite City took third place in team standings, being bested by Mascoutah in first place and Belleville. Fourteen schools were represented in the tournament.

A GCHS debate team, also comprising sophomore and junior students, won two and lost six matches. Those forming the squad were Ron Thomas, Linda Stout, James Hickman and Susan Walker. The latter two students also were exposed to competition for the first time.

The local contestants were accompanied to Belleville by GCHS speech department head, Richard King.

SWIU-SIU Libraries Rated Fourth in Added Volumes

The libraries of SIU, Carbondale, and the new SWIU campus centers ranked fourth among the nation's college and university libraries last year in the number of volumes added to their collections.

The data was furnished SWIU by the Office of Institutional Research of the National Association of State Universities and Land-Grant Colleges.

SIU-SWIU acquired 89,863 campus 2273.

Final Exam Opinions Sought by SWIU Staff

Final examinations may be on the way out at the Southwest Illinois University campus if the profs adhere to student wishes. Detailed studies are being conducted among faculty and students at the new campus centers and the questionnaires, deal with present final exam procedures.

No date has been set for compiling the data, but it is highly improbable that any changes will be made in the spring quarter finals, and no decision has been made whether to follow the student-faculty wishes for the summer quarter finals.

Types of questions on the form were not disclosed publicly, but it is highly probable that if a space is not provided to comment on the existing exams that there will be a write-in campaign.

Eight VHS Musicians Play in Band Contest

By JUDY KRIEHLBERGER
Eight band members left Venice high school last Saturday at 9 a.m. for the band contest at Eastern Illinois University, Charleston.

A clarinet quartet played "Four Pieces for Clarinet" and received a third place rating. Members of the quartet were Pat Sifton, Betty McDowell, Joan Pickens and Cindy Bosworth.

Russell Turner, Kenny Patterson and Robert Young also participated as a cornet trio. They played "Jim Dandies" and also received a rating of third. Their accompanist was Diana Lopez.

Arvan Roberts, band director, and Ronald Ganscheidt drove their cars. The students returned home at about 6 p.m. Saturday.

Candidates of New Frontier Party Step Up Campaign

The pace of the Venice city election campaign picked up sharply today as the New Frontier Party candidates, opposing incumbent officeholders, leveled a barrage of charges at the records of their opponents and, at the same time, promised the voters they would initiate a "workable plan" for urban renewal in the Venice area if they are elected.

The charges and promises were contained in letters circulated by candidates of the New Frontier, one of them under the party's candidate for mayor, John Mangiaracino, who said that the New Frontier candidates, if elected, "propose to make full use of a workable program for community improvement, of which Urban renewal is a part. He charged the incumbent administration has failed during the 11 years of the Urban Renewal program to take advantage of federal assistance available under the program.

He said that if elected mayor he will work to effect such a plan in Venice, including Urban Renewal, administration loans and grants for clearing, redeveloping and rehabilitating blighted areas. Federal Housing Administration mortgage insurance for housing, construction or improvement in Urban Renewal project areas; FHA Mortgage insurance to provide rental housing for families of low and moderate income and those displaced by government action; and Public Housing administration loans and grants to provide housing for families unable to afford standard housing in the private market.

In another circular directed to the voters, candidates on the New Frontier ticket charged their opponents were compelling city employees to participate in election activities.

The circular said that letters have been written to the office of the President of the United States, the U.S. attorney general's office, the office of Health, Education and Welfare, State Sen. Paul Simon and Harold O. Szank, executive director of the department of public aid of the State of Illinois, in an effort to substantiate the fact that political elements cannot cause removal or placement of anyone on relief "because of how they vote."

The candidates said that in every instance, heads of the departments promised to look into the matter to see that no influence is applied to public aid recipients in connection with the election.

Used Clothing Drive Saturday

Homes in the Quad-Cities-Highland area will receive a special visit Saturday from Boy Scouts delivering bags as part of a "good turn" project for handicapped people employed at Goodwill Industries.

Each scout will ask his neighbors to search their homes for clothing and other items they no longer need or want. He will collect the filled bags the following Saturday morning, April 24.

More than 500 Boy and Cub Scouts of the Cahokia Mount Council are expected to take bags to over 12,000 homes. More than 100 scout leaders will direct and assist the efforts under the leadership of Eugene A. Coe, council executive.

Goodwill Industries is a non-profit agency providing training, rehabilitation and sheltered employment for the crippled and disabled. Over 300 are employed at the Goodwill plant in St. Louis, many of them from Illinois. They repair and refurbish discarded items and sell them through 39 Goodwill stores in Illinois and Missouri.

GC Toastmasters Hear Eagle Scout

Eagle Scout Charles Hays addressed the Granite City Toastmasters at the club's weekly dinner meeting held Monday night in the Grand Cafe. Thirteen members were present.

Hays, who presented his talk as part of a merit badge requirement, spoke on the subject "Why Teenagers Are Misunderstood." He was introduced by Earl Lee, who presided.

The weekly speaking award was made to Stanley Kowalewicz for his presentation of the topic "Why Wait For History." Other awards went to Dr. Leo M. Coleman and Earl Lee, who received the "hone" and "grunt" awards respectively.

The table topic, entitled "The Value of Spring for Insects in Granite City," was moderated by Dr. Coleman, who also served as toastmaster. "The Day I'll Always Remember" was the subject of a talk by James Dimitroff.

Charles Youngs was general evaluator and Lee was program critic. A brief business meeting was conducted.

Special Savings Bond Drive To Be Held Week of May 10

A special drive locally for participation in a nation-wide U. S. Savings Bond sale campaign will begin next Tuesday to gear for the "Star Spangled Savings Plan" project to be conducted the week of May 10.

Henry D. Karandjeff, local banker who is Madison County U. S. Savings Bond Committee Volunteer Chairman, said special efforts will be made through local major industrial concerns.

All Quad-Cityans are invited to join in. "As your chairman," Karandjeff said, "I hope all of our citizens will not only participate in the payroll savings plan but choose this particular

time to buy that extra U. S. Savings Bond."

A special luncheon for industrial firms who will participate in the campaign is being sponsored by Granite City Steel Co. and will be held next Tuesday in the firm's executive dining room.

Karandjeff and James P. O'Connor, U. S. Treasury Savings Bond Division, will explain details of the campaign.

Two GCCHS Groups Earn Funds for Spring Trips

The vocal music group at Granite City high school reached a residence at universities in Great Britain, France, Germany, Spain and Italy. Students are selected for the semi-annual trip to Europe on the basis of academic achievement and when appropriate, on May.

Lois Bean was the top saleswoman, selling 180 bars of candy, while Janice Scher sold 156 bars. George, a 1965 graduate of White Bumpers 132, Phyllis Bell 90 Granite City high school, will study at the University of Madrid, Spain. He will leave New York in late August for Paris ranging from ironing to window washing and car washing.

Student to Study At Madrid, Spain

George Evangelou, son of Mr. and Mrs. George Evangelou, 1244 Madison avenue, and a sophomore at Tulane University, New Orleans, is among 70 Tulane honor students selected to spend their junior year in residence at universities in Great Britain, France, Germany, Spain and Italy.

GCCHS Formal Prom Set for April 24; Mardi Gras Theme

The annual spring formal prom at Granite City high school will be held from 8:30 to 11:30 p.m. April 24 at the school. A "Mardi Gras" theme will be used.

John Pomeroy, last year's junior class president, is general chairman. He is being aided by Jonetta Leatherman and Mary Lee Lewis, past junior officers. All current junior class officers and student body officers are committee heads.

Jonetta Leatherman, Deb Tatum, and Janice Velzer are in charge of decorations and are seeking assistance from juniors. John Strotheide and Mary Lewis are ticket sales chairman, along with past and present class treasurers, from whom tickets are available.

Deb Bush is in charge of the program. Rick Turner, Gary Johnson and Pomeroy are "miscellaneous" chairman to aid all committees and do heavy work. The Rock club has volunteered to clean up the next day.

BARBARA BROWN, 16, daughter of Mr. and Mrs. Charles F. Brown, 2632e Madison avenue, who was elected president of the Student Council at St. Teresa Academy, East St. Louis, where she is a junior. Sixty-five girls from the Granite City area attend the academy.

Navy Reserve Offers New Training Program

A special Naval Air Reserve training program at the Naval Air Station at Glenview, Ill., is being offered to young men between 17 and 25. Charles J. Lorentz, Naval Air Reserve representative in this area, announced. Applications are being accepted for an 85-day summer training program which will start in early June. In June 1966, these men again will receive orders for rate training to be held at any of the 18 naval air stations in the training command.

Here he will specialize in a particular rate or occupation which he has selected to pursue on active duty with the fleet. The rate training is patterned after the Navy's class A technical schools and is available only to graduates of the airman school. By using two summer periods, a high school student can make an easy transition into military service without leaving friends and family or interrupting school. Lorentz said, and provisions for college deferments have been established.

The experience gained in the 85-day school enables the student to advance to petty officer third class (pay grade E-4) before reporting for two years of active duty. Lorentz said. This results in a better pay check and more defined duty assignments in his trained field, with elimination of undesirable tasks as KP or guard duty, he added.

Further information may be obtained from Lorentz, 1511 Lindell blvd., GL 2-3369.

Male students outnumbered coeds about two to one at Southern Illinois University.

Square Dance Workshop Opens With 50 at 'Y'

The "X" Twirlers, New year-round square dance workshop at the YMCA, was kicked off last week with 50 youngsters participating in the initial session.

The program is being directed by Bob Boyd, local organizer of the nationally-famed Checkerboard Squares, who is assisted by his wife and three daughters.

David Walker, youth director, announced that new registrations will be accepted before 5 p.m. next Wednesday. The class then will be closed until about mid-summer.

The program is open to any boy or girl from eight through 18 and meets from 7 to 9 p.m. on Wednesdays. The cost is 50 cents per session to non-members, 35 cents to members plus a refund of 50 cents for a three-month period for non-members.

A two-year course in mortuary science is taught at Southern Illinois University's vocational technical institute.

9 Cheerleaders Named for '65-66

Selection of nine cheerleaders for the '65-66 season was announced this week at GCCHS. Named to the cheer squad are Barb Blehau, Vicki Duncan, Jo Ann Gilm, Karen Randall, Cheryl Smith, Lynn Sneed, John Strotheide, Sherry Talley, and Deb Tatum.

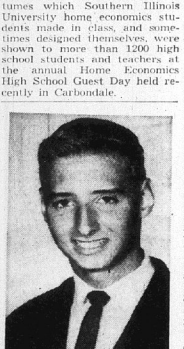

Red Peppers officers elected for next year are Joyce Noth, president; Nancy Vesel, vice president; Chris Daugherty, secretary; Linda Harris, treasurer; Marilyn Gloske, sergeant-at-arms; Mary Ellen Zikovich, historian; and Janet Lane, recorder.

"Miss School Spirit" Lynn Shepard was selected as "Miss School Spirit of 1965" and also is chairman of the Red Peppers decorations committee.

Announcement of her selection was made during an assembly program on Tuesday, when awards were presented to 20 senior girls.

Principal McCauley awarded third year Red Peppers girls "G" pins to Ellen Chapman, Sharon Luebert, Jonetta Leatherman, Clara Tikmjan, Lynn Shepard, Dolores Baumberger, Marcia Gitchie, Paula Hays, Mary Lynn Jesse, Janice Townsend, Evelyn Stein, Janie Polite, Karen Durbin, Pat Kavula, Judy Kerch, Joyce Mason, Pat Parsarian, Kristy Hanson, Mariliss Polley and Ann Meyer.

GC DeMolay to Install, New Members Initiated

Twelve candidates recently were initiated into the Order of DeMolay in its second class of the 1965 year, and senior and junior officers will be installed at 7:30 p.m. Tuesday at the Masonic Temple.

The installation will be conducted by the Granite City court of the Order of Chevaliers, and DeMolays and their friends are invited. David Morgan, President of the Order of Chevaliers, Leonard Allen, Charles Hileman, William C. Hinkle, Kendell McDevitt, David Morgan, Frederick San Soucie, David Thomas, Jerry Henke, Jeffery Hilton and Joey Vaughn.

Check-Cashing Service Available at SWIU

Students' personal checks in amounts up to \$5 may now be cashed at the business offices at both the Alton and East St. Louis centers of SWIU.

This service is on an experimental basis and will be reviewed periodically by the Student Council, the dean of students and business affairs personnel.

Positive identification and evidence of enrollment will be required, and the first time a check is refused for payment when processed for deposit, a \$2 penalty will be assessed. Subsequent offenses will bring about a \$5 penalty and possibly other disciplinary action.

Miss Walters Student Teaching at Mattoon

Mary Walters, senior physical education major at Eastern Illinois University, is one of 186 EIU seniors currently on student teaching assignment in 35 Illinois communities.

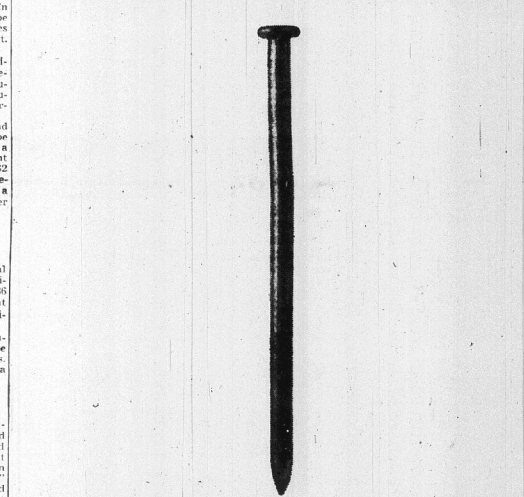

She is teaching physical education at Mattoon high school. She is the daughter of Mr. and Mrs. Robert Walters, 2722 Iowa street.

Mr. and Mrs. C. C. Chapter To Plan May Day Event

The Madison county chapter of the Knights of Columbus will plan its annual May Day observance set for May 2 at the Collinsville high school football bowl during a semi-annual meeting at 8 p.m. next Wednesday at the Highland K. of C. hall, it was announced by Vincent Lohmann, chapter president.

The May Day affair will be a twilight-evening event and will be preceded by a parade. Many out-of-town visitors are expected and the public is invited.

Use of Portable Classrooms At Stallings Being Studied

Possibility of utilizing two portable classrooms at Stallings grade school is to be studied by Supt. Russell D. Johnson, the Granite City school board decided Monday night.

With an anticipated fall 1965 enrollment of 425, Stallings needs 13 teaching stations but has only 11. Situated between a highway and railroad tracks, the building is regarded as not ideal for permanent enlargement. Alternative to portable rooms might be classes as large as 45 in rooms smaller than normal, Supt. Johnson said.

Advantages of portable rooms are seen as low lease and purchase costs, attractive and comfortable accommodations and flexibility they can be moved elsewhere as needed. However, they utilize electric heat and operating costs might be higher than usual.

Transportation of Stallings pupils to the neighboring schools of Lake, Prohant or Mitchell is not possible, since they are already filled. A shift schedule is described as "not educationally sound or desirable."

Supt. Johnson noted rapid residential growth along Route 111, both south and north of Pontoon road, and said the Arlington area also is growing. He

Partney Presides For Vote Canvass

Mayor-elect Donald Partney was named to preside at a special 8 o'clock session of the Granite City council Monday night, called solely to canvass the vote cast in the April 6 city election. The township canvass is to be conducted today.

Present for the special session, in which none of the official counts were changed, were Aldermen Partney, Norn, Rutledge, Moerlen, Dallas, Sternberg, Skubish, Thompson, Johnson, Barosiak, Whitmer, Boyd, Basarich and Bergfield.

Absent were Mayor Davis, Alderwoman Betinec and Alderman Pence.

The canvass took 15 minutes as the aldermen scanned the poll books and the election judges tallied. Newly-elected aldermen were present and were invited to participate in the canvass. They were Roy Poulos, Richard Poy, Gerald Partney and R. E. Robertson.

The township canvass will be carried out today by Supervisor Nelson Hagmuer, and two retiring officials, Assessor Von Doe Cruise and Town Clerk A. L. Stevens.

OSWALD WILLIAMS

Oswald Williams, Former Park Supt., Dies in California

Funeral services were scheduled in Santa Anna, Calif., this morning for Oswald H. (Ozzie) Williams, 70, a lifelong resident of Granite City until he moved to Santa Anna, Calif. a year and a half ago. Mr. Williams died in Santa Anna Monday afternoon, reportedly of an internal hemorrhaging condition. He had been ill for the past year, and entered a hospital there Sunday afternoon. Burial was to be in Santa Anna.

Mr. Williams, brother of Mrs. Harry Pierce (Kathryn) Reuss of Granite City, formerly was head of the safety division of Granite City Steel Co. for many years, and served as superintendent of the Granite City park district for three years prior to his retirement in August 1963. He and his wife, Mrs. Mae Williams, moved to Santa Anna in October, 1963, to join their son, retired Marine Major Robert Williams.

In addition to his son, Robert, and wife, he also leaves another son, James, of Jacksonville, Ill. Mr. Williams was born in Ammanford, Wales, and came to Granite City as a small child. He attended Granite City schools, the University of Illinois and was a world war I veteran.

Pontoon Independents Cite Economy Record

Harold McBride, Otto Krieger and Chester Dean, incumbent candidates for reelection of the village of Pontoon Beach, today questioned the accuracy of opponents' statements concerning the tax structure of the village.

"They asked, 'What excess tax are they referring to?' We have an inoperative tax? Yes, with a rate of .27 with an estimated average tax of \$6.70 per year."

"Do we have a wheel tax? No. Do we have a dog tax? No. Do we have a street light tax? No. Do we have a street light tax? No. There are many taxes that are permissible by law that could be levied, but the present board has been economical in the administration of the village government and has refrained from levying these taxes. 'To our knowledge, there isn't a municipality in the state of Illinois that operated without a corporate tax, and we believe ours is the lowest in the state. We have made every effort to avoid taxes, there are allegations that the village taxes will double this year. This is a false statement with no facts to back it up.'"

"The party state candidates were observed at the annual township meeting April 6 and voted for all the tax increases that were proposed by the township board. What do they mean by Economy Party?"

Venice Incumbents Face Contests for City Posts

Candidate Questions

Following are nine questions submitted to majority candidates. The answers to these questions were requested from each candidate in addition to biographical material printed herewith.

1. How much money will be spent in all phases of your campaign?

2. In general, what are the sources of your campaign funds?

3. Will you be supported in the campaign, financially or otherwise, from outside your home city?

4. Have you made commitments on appointments to either paid jobs or non-paid positions?

5. Do you favor campaign support, financial or otherwise, by city jobholders?

6. Do you favor action by local cities, jointly or individually, to establish a community improvement?

7. Do you favor acceleration of efforts to extend the Riverfront Road to and through the Quad-Cities?

8. Do you propose early action to construct a Broadway traffic underpass?

9. Do you favor adherence to the designated council meeting time to encourage public attendance?

Two questions also were asked of aldermanic candidates. They were:

1. Do you favor competitive bidding on all purchases?

2. Do you favor reimbursement of actual listed expenses rather than fixed expense allowances.

DR. JOHN E. LEE

Dr. John E. Lee, incumbent mayor of Venice since 1957, is 43 and lives at 1230 Klein street, Venice. He is a dentist, with offices at 4014 Madison avenue, Madison, is married and has three children, Mary Frances, a sophomore at Incarnate Word high school, and Jack and Peggy attending St. Mark's grade school.

Dr. Lee attended St. Mark's parochial school in Venice, St. Louis University high school, St. Louis University where he obtained his B.S. degree and he is a member of the American Dental Association.

He is president of the First National Bank in Madison, belongs to the County, State and American Dental Associations, St. Mark's Holy Name Society, Knights of Columbus, Crippled Children's Organization of Venice, Homecoming Association, the Lions Club and the American Legion.

In stating his principal objective in seeking re-election, he says:

"The city of Venice has progressed greatly in human resources, employment and civic building during the past eight years. A great deal is still unfinished as to water and air pollution, the underpass, housing of fire and police departments, community center and instilling civic pride in our community."

His answers to the nine questions put by the Press-Record:

1. "At this time it can't be answered as I won't know until after the election when the bills are presented. Bills will include salaries, sample ballots, workers."

2. "Our campaign funds generally are made up by the representatives of the Citizens Improvement Party."

3. "If the proper individuals want to speak out in a good word for our group, or donate funds, I wouldn't object as long as it was done with no strings attached."

4. "I believe in no outside help. I will not have the same outsiders we now have, including the heads of the department."

5. "Yes, as long as their support does not hamper them from doing a good job in the position they hold. No matter how they do politically the first requirement should be to their job."

6. "The present administration has been working on the Broadway underpass for a long time and the next hearing on May 6 should set the allocation of funds between the city, roads and city. After this, we will press the state to get their part in the highway program and start construction. The city already has purchased some ground east of the railroad tracks for this project."

7. "If people would come to our council meetings we would adhere as closely as possible to a starting time."

8. "I have always liked public life, trying to serve the city in which I live. Good government has been an utmost goal in my mind, striving to place the city of Venice first in Progressive action, trying to educate our people to this goal for their own betterment."

9. "I have always liked public life, trying to serve the city in which I live. Good government has been an utmost goal in my mind, striving to place the city of Venice first in Progressive action, trying to educate our people to this goal for their own betterment."

Two Full Slates Offered Voters In Venice Race

Opposition for all municipal offices open to election this year will highlight the Venice municipal election, Tuesday, April 20, in the city's four polling places. Two full slates of candidates are campaigning for all offices.

The Citizens Improvement Party ticket is made up of incumbents and newcomers seeking re-election, while the opposition ticket is campaigning under the title of the New Frontier Party.

The candidates, listing the Citizens Improvement candidates first, are:

For mayor, Dr. John E. Lee, 1230 Klein street, and John Mangiaracino, 1004 Third street, for city clerk, William M. Ebersold, 804 Third street, and Robert Anderson, 604 Washington avenue, and Ralph T. Ebersold, 222 Granville street.

For aldermen—First Ward, Harry Bunte, 601 Main street, and Stephen J. Lopez, 203 Granville street; Second Ward, Hank Sveda, 619 Broadway, and Dominic P. Scaturro, 1227 Robin street; Third Ward, Louis Ratliff, 505 Mercedia street, and Rennie J. Wince, 415 Bell street; and Fourth Ward, William Griggs, 1030 Market street, and Rennie J. Wince, 415 Bell street.

Polling places for the April 20, balloting will be: Ward One, Old Fellows Hall, 123 Granville street; Ward Two, city hall, Broadway and Klein; Third Ward, 1109 Bassel street, and Fourth Ward, Fletcher's Recreation Center, 220 Weaver street.

His reason for seeking election:

"I will be a watchdog for the taxpayers' dollar that is being spent now, and of which no results can be seen for it. It is time for a change here in Venice."

Mangiaracino is married, has one daughter, Shirley Jean Voegele, and four grandchildren.

His answers:

1. "I can't possibly match the money being spent by the city machine and don't depend upon volunteer help and donations from the community."

2. "From friends of the New Frontier Party and those who want to help defeat the city machine."

3. "I hope to have the support from all over the Quad-City area to elect me to the office of mayor."

4. "None."

5. "Not from any employees who are under civil service."

6. "I would not favor any joint projects with Madison at this time because of the bad reputation of the present administration in Madison."

7. "I have always favored a riverfront road and don't believe that the present administration has made any effort to bring this about."

8. "Venice needs either an overpass or underpass and with as little further delay as possible."

9. "I encourage public attendance at all times and will tolerate no more secret meetings."

10. "I believe in a two-party system that gives the people a choice. I am a life-long resident of Venice and I would like to see good clean government and the proper and honest things accomplished for the good of the town and our citizens."

His reason for seeking public office:

JOHN A. MANGIARACINO

John A. Mangiaracino, 49, of 1004 Third street, Venice, is a former Venice alderman and is seeking election as mayor on the New Frontier Party ticket. He is a carman for the Terminal Railroad and has served as precinct committeeman in addition to serving as an alderman. He attended Venice schools.

He is a member of the Venice Social Club, St. Mark's Credit Union and the Venice Crippled Children's Organization.

His reason for seeking election:

"I will be a watchdog for the taxpayers' dollar that is being spent now, and of which no results can be seen for it. It is time for a change here in Venice."

Mangiaracino is married, has one daughter, Shirley Jean Voegele, and four grandchildren.

His answers:

1. "I can't possibly match the money being spent by the city machine and don't depend upon volunteer help and donations from the community."

2. "From friends of the New Frontier Party and those who want to help defeat the city machine."

3. "I hope to have the support from all over the Quad-City area to elect me to the office of mayor."

4. "None."

5. "Not from any employees who are under civil service."

6. "I would not favor any joint projects with Madison at this time because of the bad reputation of the present administration in Madison."

7. "I have always favored a riverfront road and don't believe that the present administration has made any effort to bring this about."

8. "Venice needs either an overpass or underpass and with as little further delay as possible."

9. "I encourage public attendance at all times and will tolerate no more secret meetings."

10. "I believe in a two-party system that gives the people a choice. I am a life-long resident of Venice and I would like to see good clean government and the proper and honest things accomplished for the good of the town and our citizens."

STEPHEN MAERAS

Stephen Maeras, 58, of 538 Alton avenue, has been mayor of Madison for 23 years and previously was a trustee when Madison was incorporated as a village.

He is an insurance agent for the Western & Southern Insurance Co. and formerly was an employee of the Chain of Rocks bridge. He is a graduate of Madison high school and attended Southern Illinois University two years, majoring in education.

He and his wife, Mary Jo Burns, 25, a lifelong resident of Madison, have a son, Larry Burns, six, a first grade student at Harris school.

As his reasons and principal objectives for seeking public office, Burns said "I possess a genuine interest in the promotion of industrial and residential expansion of the city of Madison, am a firm believer that a clean, non-political type of government is the basis of equal tax assessment and fair distribution of job patronage and basis of promotions should be on qualifications and best performance of duties."

His answers to the Press-Record questionnaire follow:

1. "I would welcome an opportunity to cooperate with the other elements of our Quad-City area to implement the overall development of our riverfront area. My area of interest would not only include highway developments but also industrial and recreational facilities."

2. "I would wholeheartedly support an incinerator program which would incorporate the development of either an incinerator program for the city of Madison or a cooperative effort with other cities in the area, dependent upon which program would provide the best service to the taxpayers of Madison."

3. "Yes, I would because the development of the industrial park would spread the tax base and provide additional funds for the increased municipal services such as police and fire protection, more schools, etc."

4. "No, and strictly enforce the laws."

5. "I believe that the Chain of Rocks bridge should remain open to local traffic as long as it is financially feasible. Due to its very favorable location, it will always remain an asset, not only to the city of Madison but to the Quad-City area."

6. "Yes, and I would encourage the citizens to attend these council meetings and take an active part in their community's affairs. It would be my desire that the city council meetings would directly be a sounding board for the taxpayers of the city of Madison."

7. "Yes, and I would encourage the citizens to attend these council meetings and take an active part in their community's affairs. It would be my desire that the city council meetings would directly be a sounding board for the taxpayers of the city of Madison."

8. "This is also a most question due to the fact that I proposed this type of combat to our air pollution problems."

9. "Yes, and have done much in this respect already by joining hands with other organizations and personnel interested similarly."

10. "This is also a most question due to the fact that I proposed this type of combat to our air pollution problems."

11. "Yes, and have done much in this respect already by joining hands with other organizations and personnel interested similarly."

Port Board Plans Feasibility Study

Commissioners of the Tri-City Regional Port Authority board met Monday evening at the port office here and authorized a Chicago engineering firm to prepare a feasibility report for the next proposed revenue bond issue.

The amount of the bond issue, which probably will be placed on the market this summer, has not yet been determined, and its purposes other than to expand present port facilities along the Chain of Rocks canal were not disclosed. The firm of Knoetle, Stone, Bender & Associates are to be given the feasibility study contract.

Commissioners also discussed new state legislation which authorizes temporary financing procedures, and Cmdr. John Barron, port manager, explained the use of slag-laden rail cars to protect the Granite City Harbor spur rail lines on the west side of the canal levee to protect the spur tracks from wave wash during the present high river stage.

Infant Christened

Shawn Patrick Wood, infant son of Mr. and Mrs. Kenneth L. Wood, 3128 Dodge avenue, was christened this week at St. Margaret Mary Catholic Church by Rev. A. J. Schwelienbach. The godparents were Mr. and Mrs. Franklin Hancock of Morganfield, Ky., an uncle and aunt of the baby.

Pontoon Builders Sued

Gray & Dudley, Inc., has filed suit for \$417 plus costs against Morris Roney, doing business as Pontoon Builders Supply Co., for merchandise it allegedly delivered, which remains unpaid. The suit was filed in the circuit court.

Pontoon Beach To Elect Three Trustees Tuesday

A six-man race for three positions on the Pontoon Beach village board of trustees will be determined Tuesday, April 20, in the second election held in the village since its incorporation in 1963.

Village residents will vote from 6 a.m. to 6 p.m. at a single polling place located in the Long Lake fire department's recreation hall, 4113 Pontoon road.

All six candidates are seeking four-year terms. Three incumbent candidates are listed as independents, while the opposing candidates are running on an "Economy Party" ticket.

Two of the incumbent candidates, Harold E. McBride, 4116 South drive, and Otto "Kotch" Kreher, 3949 Lake street, were among the six original trustees elected in 1963. The third incumbent, Chester L. Dean, 4204 East Lake drive, was appointed more than 12 months ago to complete the unexpired term of Lester Johnson.

All three incumbent positions are open this year due to a drawing following the last election, in which four candidates drew four-year terms of office and the remaining three were named for two-year terms.

Running in opposition to the

incumbents are Richard Raymond Jones, 4145 Highway 111; Rosewell Bennett Jr., 4124 South drive; and Donald McNew, 3868 B street.

Officials serving for another two years, of four-year terms, are: President Thomas L. Staicoff, 30, of 3836 Lake street, a real estate salesman with Dale Realty and Construction Co.; Village Clerk Edison Phelps, 48, of 3809 B street, a maintenance welder at Granite City Steel Co.; Lawrence T. Enzor, 50, of 4155 Highway 111, a storekeeper at Union Starbuck and Refining Co.; Tony Jackson, 56, of 3944 Lake street, a machinist at Shell Oil Co.; Wood River; and Robert A. Springer, 39, of 3969 Lake street, an employee in the blast furnace department, Granite City Steel Co.

HAROLD E. MCBRIDE

Harold E. McBride, 37, an incumbent trustee, is married and lives with his wife, their two sons and three daughters, at 4116 South drive.

"I am seeking re-election," McBride said, "because this village has a bright future, if it is not allowed to remain dormant. I stand for honest representation of the people, and will do everything in my power to see that the village board represents the people of Pontoon Beach and not outside politicians."

A crane operator at Granite City Steel Co., McBride is a member of Steelworkers Local 16 and the Pontoon Baptist Church. He is a past grand officer of Old Fellows Tri-City Lodge 1031 and is a graduate of Edwardsville high school.

His answers to Press-Record questions are —

1. "Yes."
2. "Yes."

6 Seeking 3 Village Offices

Candidate Questions

The following questions were asked the six trustee candidates for the board election to be held next Tuesday in the village of Pontoon Beach.

1. Do you favor competitive bidding on all purchases?
2. Do you favor reimbursement of actual, listed expenses rather than fixed expense allowances?

CHESTER E. DEAN

Incumbent trustee, Chester E. Dean, 49, lives at 4204 East Lake drive, with his wife, Thelma and two sons, Charles W. and Chester III. They also have two married daughters, Mrs. Donna Leo Corrie of Collinsville and Mrs. Charlene Pyle of Citrus Heights, Calif.

"Because I am interested in the growth of this village," Dean gives as his reasons for seeking an additional term in office. "If elected," he added, "I will do all I can towards honest representation for the people of Pontoon Beach."

Dean, a high school graduate, is employed as a bricklayer at Granite City Steel Co. He is a member of Dewey Avenue Methodist Church, Granite City; Masonic Lodge 877, and Bricklayer's Local 65, in which he held office as IU deputy. He is a veteran of world war II.

His responses to the Press-Record questions are as follows:

1. "Yes, I believe all purchases should be made by competitive bidding."
2. "Yes, to avoid unnecessary waste of taxpayers' money."

DONALD MCNEW

A melder at Dow Metal Products Co., Donald McNew, 32, lives at 3868 B street, with his wife, Patricia Ann, and two children, Donald E., aged five and Lori Ann, aged two. He has resided in the Pontoon area for 15 years.

McNew attended school in Princeton, Ill., and is a member of the Long Lake volunteer fire department; Long Lake Amvets Post 187; Masonic Lodge 877; Steelworkers Local 4804; and the Emanuel Baptist Church.

In seeking public office for the first time, McNew said, "I am opposed to the tax levy adopted by the present board of trustees. It is the feeling of the taxpayers of the village of Pontoon that this levy was unjust and unwarranted. If elected, I will seek to cut this levy to coincide with the reasonable operations of the village of Pontoon Beach."

His answers to the questions are:

1. "Yes."
2. "Yes."

ROSEWELL BENNETT JR.
Rosewell Bennett Jr., 27, who is employed by Nameoki Township in the road maintenance department, is seeking public office for the first time. He resides at 4142 South drive with his wife and five children.

Bennett attended Granite City schools and has lived in the Pontoon area for 23 years. He is a member of the Pontoon Baptist Church. He serves as an assistant custodian and manager of a Khoury league baseball team.

His reason for seeking office is "to repeal the unnecessary high tax levy imposed on the people of the Village of Pontoon Beach."

His answers to the Press-Record questions are:

1. "I feel as long as I am spending the taxpayers' money, I should seek the best possible price available on a competitive bid."
2. "I feel that if there are expenses they should be paid as long as they are legitimate and do not exceed a fixed amount."

FOR YOU

From your Bi-State Transit System

120 NEW LUXURY BUSES

Your Bi-State Transit System is proud to announce the purchase of 120 new air conditioned luxury buses. They will go into service later this week on major transit routes in both Missouri and Illinois. Purchase of these new buses represents another step in your transit system's continuing program to provide new and improved equipment for its passengers.

Improved Equipment

The 120 new buses, combined with 50 new buses purchased last year, will enable us to up-grade our service and equipment on all lines — regular, express and special. The new buses will replace older type units which will be retired from service. This means that during non-rush hours and on weekends, it will be possible to equip nearly all major lines with new streamlined buses.

Cost

Cost of the 120 new buses was \$3,690,000. Total cost of the 170 is \$5.4 million. The 170 new buses purchased by your Bi-State Transit System in the two years of its operation are more new buses than all fifteen of the former transit companies purchased during the 10-year period prior to 1963.

Largest Air Conditioned Transit Fleet Anywhere

With the 120 new buses, we will have a total of 663 modern, air conditioned buses, approximately three-fourths of the entire bus fleet. This is the largest such fleet of air conditioned transit buses anywhere.

Advance Styling

The new buses represent the latest in advance styling — metallic blue and fluted aluminum sides and an attractive gold "belt rail" stripe around the body, form-fitting seats, easy-on-the-eyes fluorescent interior lights, sliding picture windows of tinted glass, wide wrap-around windshields for maximum visibility, attractive upholstery, Formica inside sidewalls, new design floor covering. All are equipped with air suspension spring systems for smooth riding and feature all-season temperature control systems to provide clean filtered air for heating in the winter and air conditioning in the summer.

Your Bi-State Transit System hopes you like your new buses. They have been designed with your transit-riding comfort in mind and are the most attractive and functional vehicles available today for city transit.

Easter Egg Hunt Saturday at Wilson Park
Youngsters of pre-school-age through sixth grade, who reside in the Granite City park district, are being invited to hunt for 100 dozen gaily-wrapped, candy-marshmallow eggs at 10:30 sharp, Saturday morning, in the park district's second annual giant Easter egg hunt at Wilson Park. It was announced today by Supt. Harold Brown. Children will be divided by age group and hunt for the Easter goodies in four separate areas. Brown said. Special finders of four golden-colored Easter eggs, one to be hidden in each of the four locations. Other special prizes may be won in each age group by the child finding the greatest number of eggs, and the boy and girl who secures the most eggs in each area. Only one special prize may be collected in the latter contest. No adult assistance is allowed in gathering the eggs, Brown said. He added that no child will go home empty-handed as each participant will receive a candy egg. A park district commissioner and a member of the recreation staff will be posted in each of the four areas, with the hunt to begin simultaneously for all age groups. Brown reminded all participants to be prompt. Last year, he said, almost all eggs were recovered in less than 20 minutes. Children may bring a container in which to carry their eggs. Brown said. Age groups and the area to which they should report are listed as follows: Pre-school and kindergarten--an area near the corner of 27th and Benton streets; First and second grades--Area Two, located near the park district office; Third and fourth grades--Area Six, 29th and State streets, near Niedringhaus school; and fifth and sixth grades--Area Eight, a shelter located near 28th and State streets.

Mrs. Sheppard, Wife Of Engineer, Dies

Mrs. Opal W. Sheppard, 70, of Alton, wife of C. H. Sheppard of the engineering firm of Sheppard, Morgan & Schwaab, died at Alton Memorial Hospital after suffering a heart attack at her home last Thursday. She and Mr. Sheppard were preparing to leave for a vacation in Florida when she was stricken.

Mrs. Sheppard was a former teacher. Other survivors are a son, Charles of Clifton Terrace; three daughters, Mrs. J. L. Cummings of Glen Ellyn, Mrs. Seymour Doctor of Miami, Fla., and Mrs. J. R. Gilbert of Redwood City, Calif.; three sisters and 12 grand-children.

Funeral services were held Tuesday afternoon at the College Avenue Presbyterian Church, Alton, and burial was in Valhalla Memorial Park.

James Ira Davis, 60, Former Resident, Dies

James Ira Davis, 60, former Granite City resident for 14 years, died Tuesday afternoon in St. Ann's Hospital at Anacosta, Mont. He had been ill six months. Death was due to a blood clot.

Mr. Davis was the brother of Garcon Davis and Mrs. Alpha Bauer, both of Granite City. He also leaves two other sister, Mrs. Nola Underwood of Yakama, Wash. and Mrs. Ola Dodd, Pyatt, Ark.

He lived in Granite City from 1927 until 1941 when he entered military service. He was employed at Union Starch and Refining Co. Funeral services are to be held in Harrison, Ark.

PTA Instruction Schools Planned for April 22-29

District 29, Illinois Congress of Parents and Teachers, will sponsor its annual spring schools of instruction this year in three area communities on different dates, it was announced today by Mrs. Ida Hanfelder of Granite City, District 29 director. She is urging all PTA officers, committee chairmen and interested PTA members to attend one or more of the sessions.

The dates and locations are as follows: April 22, Coolidge Junior high school, Granite City; April 28, Webster school, 108 West Church street, Collinsville; and April 29, East Elementary school, Jerseyville.

Each of the three instruction programs will begin at 7:30 p.m. with identical workshop sessions to be conducted. Mrs. Hanfelder explained. However, she added, two state PTA officials will serve as the main speakers at the Granite City and Jerseyville sessions, while Wilbur R. L. Trimpe, Madison county superintendent of schools, will address the Collinsville session on "PTA Is Necessary."

The two state officers who will speak are Mrs. Eula Brazier of Wood River, ICPT second vice-president and District 29 leadership chairman, whose talk at the Granite City workshop is entitled "You are the PTA," and Mrs. Newton Groher of Chicago, ICPT leadership training chair-

man, who is to speak at the Jerseyville session on "Leadership Training Is a Guarantee For the Future."

At each school of instruction, separate workshop sessions will be conducted in the following categories: Presidents and vice-presidents; secretaries; treasurers, budget and finance; health; legislation; membership; and hospitality; programs; publicity; and The PTA Magazine and publications.

Mrs. Hanfelder is extending a special invitation to all parents of children who will start school in September to attend one of the series.

Here's teamwork in action to help industry grow in Illinois-Metro East

Many have asked the question: "What can be done to improve the prosperity of the Illinois side of the Metropolitan St. Louis area?"

Today there's more than talk. There is action! A new organization—ILLINOIS-METRO EAST—is putting forth a concerted effort for the economic betterment of this area. This is a project of teamwork, bringing together groups on the Illinois side of the river for the purpose of expanding industrial

development of the Illinois-Metro East area and to work with all other groups to promote industrial expansion of the entire metropolitan area.

The purposes and objectives of the new organization are stated in its By-Laws as follows:

- To promote harmonious relationships between all individuals, organizations and political bodies interested in the further industrial development of the Illinois-Metro East area.

- To create a favorable climate for the attraction of new industry and the expansion of existing industry on both sides of the river.
- To encourage the joint promotion of the entire Illinois-Metro East area as a desirable location for industry.
- To assist existing organizations in gathering data necessary for industrial development and to assist them in solving any problems which may arise during the course of their activities.
- To encourage constructive competition among members and discourage competitive practices which tend to degrade or undermine other sections of the entire Metropolitan St. Louis area.

Card of Thanks 32

An announcement of a funeral from Madison, with the day of mourning being on April 10th, 5th and 6th, with great bereavement, the funeral of JOSEPH BURDEL, was held at the John Seidlach Funeral Parlor, Tuesday at 8:30 a.m. with services for the deceased. With profound sympathy and deep sorrow the members of the immediate family, children, relatives and friends, who participated in the burial service. The funeral was held in the parish of St. Joseph, St. Louis, in memory of the deceased was preached both in Polish and English by the pastor, Father Alexander Herring. The church choir sang the responses. The burial services at the cemetery was conducted with solemnity, sorrow and grief by the pastor as the farewell ritual was performed in the Holy memory of the deceased. The deceased was a member of Society of the Gladiolus, A Polish organization. Heartfelt thanks are conveyed to the pastor, Father Alexander Herring, John Seidlach, Funeral director, also neighbors who participated in the funeral of a good parishioner. Father and member of the community. 32-4-15

We wish to express our sincere thanks and appreciation to our many friends, neighbors and relatives for the kindness shown us during the recent loss of our beloved husband, father, brother, grandfather and great-grandfather, JOSEPH BURDEL. We wish to thank those who donated cars, those who brought flowers, offered spiritual bouquets, masses, organist, pallbearers and special thanks to the Ladies Sodality, Special thanks to Rev. Herring, St. Elizabeth Hospital, nurses, and Dr. L. Reed, Secretary of the Sacred Heart of Jesus, Polish National Catholic Church, the different Union organizations and the Seidlach Funeral Home. JOSEPH BURDEL AND KONUCH FAMILY. 32-4-15

The family of RICHARD BENNER wishes to extend our heartfelt thanks and appreciation to our relatives, friends, and neighbors who in their hours of grief and sorrow have shown of their time, sympathy, and beautiful floral arrangements. We especially thank Rev. Alan Randolph, Mrs. Sandra Shelton, the pallbearers and Ladies Sodality. 32-4-15

Cerebral Palsy Campaign Advisors Named for Area

Mrs. Janette Garrison of Granite City, who is serving as Madison county campaign chairman of the 1965 United Cerebral Palsy drive, slated to be held May 17, 18 and 19, has announced the appointment of two Granite City professional men as campaign advisors.
They are Dr. Hector Zevallos, 44 Terrace lane, who is to serve as medical director, and Atty. Terrell W. Francis, 2629 State street, who will head the legal drive.
Both men were introduced to members of the county executive group at a meeting Monday evening held in the Kahok Bowl, 1312 Vandavia street, Collinsville, whose facilities have been donated by the owner as campaign headquarters for the duration of the drive.
Currently, the county chapter is coordinating its 1965 drive with officials of the state organization, Mrs. Garrison said. She added that county-wide door-to-door solicitation are being planned for the three designated days. In several areas of the county, Mrs. Garrison said, "tenance tag days" will be held May 8, using the services of junior and senior high school students.

General Steel Passenger Car Truck Given Test

A new truck for rapid transit rail passenger cars, designed and produced by General Steel Industries, Inc., of Granite City, was test operated Monday by the San Francisco Bay Area Transit System.
It was the first of a series of tests to be made for the one-million-dollar transit system now under construction for the Bay Area. The new truck contains a combination air-oil spring, a central bearing pivot, and a truck motion at high speeds and rubber buffers in the cast steel frame to reduce noise and vibration.

Harjo Firm Chartered Here for Apartments

The Harjo Development Co., with offices in St. Louis, has obtained a corporation charter to do business in Illinois from the secretary of state in Springfield. Leo H. Konec, Granite City attorney listed as the local registered agent, said the firm will develop apartment buildings on West Pontion road, and the new charter is one of the first steps in that direction.
The Granite City council recently approved rezoning of property owned by the Bischoff interests along West Pontion road for apartment houses. The charter permits the firm to acquire, develop, sell and otherwise deal with real estate of all kinds for residential, commercial or industrial uses.

Robt. D. Smith Serving Aboard Combat Stores Ship

Robert D. Smith, 2656 Highway 67, is now serving aboard the Navy's first combat stores ship, the USS Mars.
The Mars returned to her home port of Yokosuka, Japan, April 4 after a six-week deployment to the South China Sea area. Prior to the return the ship stopped in Hong Kong for a four-day rest and recreation period. The Mars was also rewarded with the Armed Forces Expeditionary Medal for "30 consecutive days of direct logistic support of task force operations in the South China Sea."

Accutron® looks like a watch Unfortunately.

We don't call it a watch. All the parts that make a watch fast or slow have been left out. The balance wheel, springs, staff and screws. Accutron does not use these parts. Instead, a tiny tuning fork keeps time through vibrations that are battery powered. Accutron time is so precise that we guarantee average monthly accuracy within 60 seconds, which averages out to about 2 seconds a day. And we know owners who have not gained or lost this in a year.

However, don't let this make you think that Accutron prices are higher than a fine watch.

(Remember, a lot of parts were left out.)
